### MINISTRY OF COMMERCE

New Delhi, the 12th June, 1982

**S.O. 2140.**—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby makes the following rules to amend the Export Inspection Council Death-cum-Retirement Gratuity Rules\*, 1981, namely :—

1. (1) These rules may be called the Export Inspection Council Death-cum-Retirement Gratuity (Amendment) Rules, 1982.
- (2) They shall come into force on the date of their publication in the Official Gazette.
2. In the Export Inspection Council Death-cum-Retirement Gratuity Rules, 1981,—

(i) to clause (j) of rule 2, the following Explanation shall be added, namely :—

“Explanation :—

For the purpose of this rule, total disablement means such disablement as incapacitates an employee for the work which he was capable of performing before the accident or disease either bodily or mental infirmity resulting in such disablement :

Provided that such requests for considering an employee to be declared as permanently disabled should be made in writing to the Head of Office or Department together with a medical certificate from the Medical Board in the case of officers whose maximum scale of pay of the post is Rs. 900 and above and in other cases Civil Surgeon or District Medical Board or Medical Officer of equivalent rank and in case of female employee, a lady doctor shall be included as a member of the Medical Board.”

(ii) to Rule 14, the following Proviso shall be added, namely :—

“Provided that the Council employee may appeal against matters relating to the interpretation of these rules to the Central Government whose decision shall be final.”

\*Foot Note.—S.O. 1607, dated 30th May, 1981.

[F. No. 3(12)/76-EI&EP]

का० आ० 2141.—केन्द्रीय सरकार, नियंत्रित (व्यालिटी नियंत्रण और नियंत्रण) अधिनियम, 1963 (1963 का 22) की धारा 17 द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, नियंत्रित नियंत्रण अधिकरण, मृत्यु लृपा नियंत्रित उपचान नियम, 1981\* का संशोधन करने के लिए निम्ननिवित्त नियम बनाते हैं, अर्थात् —

1. (1) इन नियमों का संक्षिप्त नाम नियंत्रित नियंत्रण अधिकरण, मृत्यु लृपा नियंत्रित उपचान (संशोधन) नियम, 1982 है।

(2) ये राजपत्र में प्रकाशन की तारीख को प्रमूल होगे।

2. नियंत्रित नियंत्रण अधिकरण मृत्यु लृपा नियंत्रित उपचान नियम, 1981 में,—

(i) नियम 2 के खण्ड (आ) में, मिम्ननिवित्त स्पष्टीकरण जोड़ा जाएगा, अर्थात् :—

“स्पष्टीकरण .—

इस नियम के प्रयोजन के लिए, पूर्ण नियंत्रण से नेत्री नियंत्रण से अंतरित है जो किसी कर्मचारी को उस कार्य के लिए, जिसे वह मुर्खटना या उम यारीपक या मानसिक प्रश्नकलना मन्दी बीमारी से पूर्ण, जिससे वह नियंत्रण छूटे हैं, करने के योग्य था, अदीय बनाती है :

परन्तु किसी कर्मचारी को स्थायी रूप से नियंत्रण घोषित करने के बारे में विचार करने के लिए, निवेदन लिखित रूप में कार्यालय या विभाग के प्रधानकारी को किया जाना चाहिए और उसके साथ मामले में जिसके पद का प्रधिकरण वेतनमान 900 रुपये या उससे अधिक है, विकितसा बोर्ड से, और अन्य मामलों में समतुल्य बोर्ड के तिलिन सर्जन या जिला चिकित्सा बोर्ड या चिकित्सा अधिकारी से और महिला कर्मचारियों के मामले में चिकित्सा बोर्ड की सदस्यों के रूप में सम्मिलित महिला विकितसा से प्राप्त चिकित्सा प्रमाण-पत्र सलग किया जाना चाहिए।”

(ii) नियम 14 में मिम्ननिवित्त जोड़ा जाएगा, अर्थात् :—

“परन्तु अधिकरण कर्मचारों इन नियमों के निर्वचन से संबंधित मामलों में केन्द्रीय सरकार को अपील कर सकता है जिसका विनिश्चय अनियम होगा।”

**S.O. 2141.**—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby makes the following rules to amend the Export Inspection Agency Death-cum-Retirement Gratuity Rules, \*1981, namely :—

1. (1) These rules may be called the Export Inspection Agency Death-cum-Retirement Gratuity (Amendment) Rules, 1982.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. In the Export Inspection Agency Death-cum-Retirement Gratuity Rules, 1981,—

(i) to clause (j) of rule 2, the following Explanation shall be added, namely :—

“Explanation :—

For the purpose of this rule, total disablement means such disablement as incapacitates an employee for the work which he was capable of performing before the accident or disease either

bodily or mental infirmity resulting in such disablement:

"Provided that such requests for considering an employee to be declared as permanently disabled should be made in writing to the Head of Office or Department together with a medical certificate from the Medical Board in the case of officers whose maximum scale of pay of the post is Rs. 900 and above and in other cases Civil Surgeon or District Medical Board or Medical Officer or equivalent rank and in case of female employees, a lady doctor shall be included as a member of the Medical Board."

(ii) to Rule 14, the following Proviso shall be added  
namely :—

"Provided that the Agency employee may appeal against matters relating to the interpretation of these rules to the Central Government whose decision shall be final."

**MINISTRY OF COMMERCE**

**(Office of the Comptroller of Imports and Exports)**

Cuttack, the 19th April, 1982

Subject.—Cancellation of Import Licence No. P/S/1865697/C/XX/78/0/80 dated 24-3-1981 for Rs. 5,60,000 issue to M/s. Utkal Agro Industries, O.T. Road, Balasore, Orissa.

**S.O. 2421.**—M/s. Utkal Agro Industries, O. T., Road, Balasore, Orissa, has been granted Import Licence No. P/S/1865697/C/XX/78/0/80, dated 24th March, 1981 for Rs. 5,60,000 for Import of permissible raw materials, components and consumables as per appendix-5 of the period required for the End Products, Polythene Pipes, Films & Bags, PVC Pipes, Sanitary Fittings & Industrial components.

They have applied for issue of duplicate copy (both Exchange & Customs purpose) of above licence on the ground that original copy of the said licence has been lost/misplaced without having been registered and without being utilised at all with any Customs authority and an affidavit to this effect has been submitted as required in terms of para 351 & 352 of Hand Book of Import-Export Procedures, 1981-82 and requested for issue of duplicate licence to cover Rs. 5,60,000.

The undersigned is satisfied that both the copies (Customs & Exchange Control) of licence No. P/S/1865697/C[XX] 78/0/80 dated 24-3-81 have been lost/misplaced and direct that the duplicate copy (both Custom purpose & Exchange Control) of the said licence be issued to the applicant.

The original licence No. P/S/1865697/C/XX/78/0/80, dated 24-3-81 for Rs. 5,60,000 (both copies of Custom purpose & Exchange Control) is hereby cancelled.

#### ORDER

New Delhi, the 27th May, 1982

**S.O. 2143.**—M/s. Usha Rectifier Corporation (India) P. Ltd., New Delhi were granted an import licence No. P/CG/2083462[C]XX|81[H]81|CG.III dated 21-12-81 for Rs. 16,80,200 (Rupees Sixteen Lakhs eighty thousand and two hundred only) (DM 420717) for import of capital goods (extruder) from West Germany under Free Foreign Exchange. The firm has applied for issue of Duplicate copy of Customs purposes copy of the above mentioned licence on the ground that the original Customs Purposes copy of the licence has been lost or misplaced. It has further been stated that the Customs Purposes copy of the licence was not registered with any Customs authority and as such the value of Customs purposes copy has not been utilised at all.

2. In support of their contention, the licensee has filed an affidavit on stamped paper duly sworn in before a Notary Public Delhi. I am accordingly satisfied that the original Customs Purposes copy of import licence No. P/CG/2083462 dated 21-12-81 has been lost or misplaced by the firm. In exercise of the powers conferred under sub-clause 9(cc) of Import (Control) Order, 1955 dated 7-12-1955 as amended the said original customs purposes copy No P/CG/2083462 dated 21-12-81 issued to M/s Usha Rectifier Corporation (India) P. Ltd., New Delhi is hereby cancelled.

3. A duplicate Customs Purposes copy of the said licence is being issued to the party separately.

S.O. 2149.—Whereas by notification of the Government of India in the Ministry of Petroleum, Chemicals & Fertilizer, (Department of Petroleum) S.O. 306 dated 11-1-82 under sub-section (1) of Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipeline.

And whereas the Competent Authority has under Sub-Section (1) of Section 6 of the said Act, submitted report to the Government,

And further, whereas the Central Government has, after considering the said report, decided to acquire the right of user in the lands specified in the Schedule appended to this notification.

Now, therefore, in exercise of the power conferred by sub-section (1) of the Section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the Schedule appended to this notification hereby acquired for laying the pipeline.

And further, in exercise of power conferred by sub-section (4) of that section, the Central Government directs that the right of user in the said lands shall instead of vesting in the Central Government vest on the date of the publication of this declaration in the Oil & Natural Gas Commission free from encumbrances.

नई दिल्ली, 22 मई, 1982

का० आ० 2172—केन्द्रीय सरकार, डाक कर्मकार (नियोजन का विनियमन) अधिनियम, 1948 (1948 का 9) की व्याप्ति 4 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करने हुए, बांडला डाक कर्मकार (नियोजन का विनियमन) स्कोर, 1969 में और संशोधन करना चाहती है। जैसा कि उक्त उपधारा में प्रवेशित है, प्राप्तिवित संशोधन का निम्नलिखित प्रारूप उन सभी शक्तियों की जानकारी के लिए प्रकाशित किया जा रहा है, जिनके उनसे प्रभावित होने की गम्भीरता है। इसके द्वारा सूचना दी जानी है कि उक्त प्राकृत पर इस अधिनियम के उत्तरांत्र में प्रकाशन की तारीख से बो सात की अवधि की समाप्ति पर या उसके पश्चात् विचार किया जाएगा।

उपरोक्त प्रविति से पूर्व नियमों के उक्त प्रारूप की वाबन जो भी आक्रमण या सुमाव किसी व्यक्ति से प्राप्त होंगे, केंद्रीय सरकार उन पर विचार करेगी।

## स्कीम का प्रारूप

1. इस स्कीम का संक्षिप्त नाम कोडला डाक कर्मकार (नियोजन का विनियमन) (संशोधन) स्कीम, 1982 है,

2. कोडला डाक कर्मकार (नियोजन का विनियमन) स्कीम, 1969 में, (1) खण्ड 6 के स्थान पर निम्नलिखित खण्ड रखा जाएगा, प्रथम—

“6. अधिकारियों और अन्य कर्मचारियों की सेवा और नियुक्ति के निवन्धन और शर्तें :

(1) शोई, अधिकारियों और अन्य कर्मचारियों के बारे में सेवा के ऐसे निवन्धन और शर्तें भी हैं, जिनके अन्तर्गत वेतन तथा भत्तों के निवन्धन और शर्तें भी हैं, जो वह ठीक समझे, विद्वित कर सकेंगा:

परन्तु बोई, केन्द्रीय सरकार के पूर्व अनुमोदन के बिना ऐसा कोई पर सुनित नहीं करेगा जिसका अधिकातम बेस्ट सोलह सौ पचास रुपए प्रतिमास और उससे अधिक हो।

(2) अधिकारियों और अन्य कर्मचारियों की नियुक्ति में उसके लिए अन्यत्र, अन्यथा उपलब्धित के बिना अधिक द्वारा की जाएगी,

परन्तु अध्यक्ष, केन्द्रीय सरकार के पूर्व अनुमोदन के बिना उन परों पर नियुक्ति नहीं करेगा जिनका अधिकातम बेस्ट, भत्तों को छोड़कर सोलह सौ पचास रुपए और उससे अधिक हो।

परन्तु यह भी कि एक मास में अनधिक की अवधि के लिए छह द्वितीय के कारण हुई किसी रिक्ति पर नियुक्ति के लिए केन्द्रीय सरकार का अनुमोदन अवश्यक नहीं होगा।

(2) खण्ड 8 में,

(क) उपलब्ध (क), (ख), (ग) और (द) का लोप किया जाएगा।

(ख) उपलब्ध (ठ) के स्थान पर निम्नलिखित उपलब्ध रखा जाएगा, अर्थात्—

"(ठ) खण्ड 6 के उपलब्धों के अधीन रहते हुए परों के सूजन की मंजूरी दे सकेगा,"

(3) खण्ड 10 के उपलब्ध (1) में,

(क) मद (क) और (ख) के स्थान पर निम्नलिखित मद रखी जाएगी, अर्थात्—

"(क) रजिस्टरों के कालिक पुनरीक्षण और पूर्वानुमानित अपेक्षाओं के पश्चात् केन्द्रीय सरकार के पूर्वानुमोदन से विभिन्न प्रबन्धों के अधीन कर्मकारों की संख्या नियंत्र करेगा और किसी प्रबन्ध की रजिस्टर में दी गई कर्मकारों की संख्या को, समय-समय पर यथावश्यक बढ़ाना या घटाना।

(ख) किसी प्रबन्ध में कर्मकारों की किसी विनियिष्ट "संख्या के, किसी विनियिष्ट अवधि के लिए, अस्थायी रजिस्ट्रीकरण की मंजूरी देना—

(4) खण्ड 17 के पश्चात् निम्नलिखित नया खण्ड अन्तर्व्यापित किया जाएगा, अर्थात्—

17क. प्रतलाद्यस्ती: (क) अध्यक्ष को शक्ति होगी कि वह किसी प्रबन्ध के अधिकारियों को उस प्रबन्ध में जिसमें कर्मकारों की कमी है और काँड़ला प्ररजिस्ट्रीकूट डाक कर्मकार (नियोजन का विनियमन) स्कीम, 1968 के मन्त्रालय द्वारा बांधे कर्मकारों के किसी प्रबन्ध में भी भवित्वियोजित करे किन्तु ऐसा इस शर्त के अधीन रहते हुए किया जाएगा कि ऐसे अभियोजन से पिछली सेवा की मंजूरी में कमी या प्रमुखियाओं में हानि नहीं होगी;

टिप्पणी: यदि स्कीम के उस प्रबन्ध में, जिसमें कमी है, मंजूरी या प्रमुखिया कम है तो स्थानान्तरण उपलब्धता के आधार पर किया जाएगा अर्थात् कर्मियों को स्थानान्तरित किया जाएगा और उसके द्वारा उपलब्धता की जा रही मंजूरी और प्रमुखियाओं को, उसके लिए वैयक्तिक समझ कर, संरक्षित किया जाएगा।

(ख) अध्यक्ष को यह भी मानि होगी कि वह काँड़ला पत्तन याम के अधिकारियों को उस प्रबन्ध में अभिनियोजित करे जिसमें कर्मकारों की कमी है किन्तु ऐसा इस जरूरत के अधीन रहते हुए, किया जाएगा कि ऐसे अभियोजन से पिछली सेवा की मंजूरी में कमी या प्रमुखिया में हानि नहीं होगी;

(5) खण्ड 18 में,

(i) "बोई" शब्द के स्थान पर, उसी कही वह प्राप्त है, "अध्यक्ष" शब्द रखा जाएगा।

(ii) उपलब्ध (1) के पश्चात् निम्नलिखित उपलब्ध रखा जाएगा, अर्थात्—

"(1क) अध्यक्ष, प्रत्येक प्रबन्ध में अनेक कर्मकारों की संख्या का कालिकत: पुनर्विलोकन करेगा और केन्द्रीय सरकार के अनुमोदन से स्थायी या समयांशकरण करने के लिए उपयुक्त कार्रवाई करेगा।"

(6) खण्ड 19 में—

(i) उपलब्ध (3) में, शब्द "बोई" के स्थान पर, "अध्यक्ष" शब्द रखा जाएगा—

(ii) उपलब्ध (4) के स्थान पर, निम्नलिखित उपलब्ध रखा जाएगा, अर्थात्—

"(4) ऐसे किसी भी प्रबन्ध में, जिसमें डाक कर्मकार पहले ही स्कीम के अधीन रजिस्ट्रीकूट किए जा रहे हों, कोई भी नई भर्ती नहीं चाहेवा वह अस्थायी तौर पर हो या स्थायी तौर पर हो, स्थायी रोजगार कार्यालय में रजिस्ट्रीकूट कर्मकारों में से की जाएगी। किन्तु यदि काँड़ला पत्तन याम द्वारा नियोजित कर्मकारों के किसी प्रबन्ध में अधिकारियों के अधीन रजिस्ट्रीकूट कर्मकार हैं तो ऐसे अधिकारियों को इस स्कीम के अधीन स्थानान्तरित और रजिस्ट्रीकूट किया जाएगा। स्थानान्तरण के पश्चात् यदि अध्यक्षों के लिए रोजगार कार्यालय के रजिस्टरात उपयुक्त व्यक्तियों की संख्या से अधिक व्यक्तियों की अधीन अधिकारियों की संख्या से अधिक व्यक्तियों की मंजूरी की जाएगी।"

(7) खण्ड 45 में, उपलब्ध (3) के स्थान पर निम्नलिखित रखा जाएगा, अर्थात्—

"(3) अम अधिकारों, उपलब्ध (1) या (2) के अधीन किसी भी मामले पर विचार करेगा और यदि प्रारम्भिक प्रमेयण के पश्चात् तथा उस कर्मकार को सुनवाई का युक्तिमुक्त अधिकार देने के पश्चात् उसका यह समाधान हो जाए कि रजिस्ट्रीकूट डाक कर्मकार यथाउपर्युक्त किसी विधिवूल्य आदेश का पालन करने में असफल रहा है तो वह आदेश पारित करेगा कि उस रजिस्ट्रीकूट डाक कर्मकार को खण्ड 44 के प्रधान उत्तरी अधिकारियों के लिए सबस्य नहीं किया जाएगा जिसमें भी अधिकारी उचित समझे।"

(8) खण्ड 46 में;

(i) उपलब्ध (i) की मद (ii) की उप-मद (ख) में, "बोई" शब्द के स्थान पर उसी कही वह प्राप्त है, "अध्यक्ष" शब्द रखा जाएगा।

(ii) उपलब्ध (5) में मद (ग) के पश्चात् निम्नलिखित मद को रखा जाएगा, अर्थात्—

"(गक) उसके बेतन में कटीती करेगा और/या उसे निम्नतर प्रबन्ध में प्रत्यावर्तित कर देगा।"

(9) स्कीम की प्रमुखी 1 में, मद 1 के पश्चात् निम्नलिखित मद अन्तर्व्यापित की जाएगी, अर्थात्—

"(1क) यदि काँड़ला डाक भव बोई में अधिकार व्यवस्था हो और पत्तन याम के अधीन स्थायी रोजगार कर्मकारों के तत्समान प्रबन्धों में कमी हो तो साक्षात्कार स्थायी (अर्थात् पृष्ठ तथा उपरी भाग में) से भिन्न की तर

पर उड़ाइ-धराई मर्यादित धाट पर मिलगों में से स्वीका की लकाई/उलाई तथा उसे धाट से अभिवहन क्षेत्र में, और विश्वरेण, ते जाना, प्राप्ति प्रदत्त क्षेत्र में स्वीका की उड़ाइ-धराई।

## MINISTRY OF SHIPPING AND TRANSPORT

### (Transport Wing)

New Delhi, the 22nd May, 1982

**S.O. 2172.**—The following draft of a scheme further to amend the Kandla Dock Workers (Regulation of Employment) Scheme, 1969 which the Central Government proposes to make in exercise of the powers conferred by sub-section (1) of section 4 of the Dock Worker (Regulation of Employment) Act, 1948 (9 of 1948) is hereby published as required by the said sub-section for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration on or after the expiry of a period of two months from the date of publication of this notification in the Official Gazette;

Any objections or suggestions which may be received from any person with respect to said draft before the aforesaid period will be taken into consideration by the Central Government.

### DRAFT SCHEME

1. This Scheme may be called the Kandla Dock Workers (Regulation of Employment) (Amendment) Scheme, 1982;

2. In the Kandla Dock Workers (Regulation of Employment) Scheme, 1969,

(1) for clause 6, the following clause shall be substituted, namely :—

"6 Terms and conditions of service and appointment of officers and other staff.—(1) The Board may prescribe the terms and conditions of service including those of salaries and allowances, as it may deem fit, in respect of officers and other members of staff :

Provided that no post the maximum salary of which exclusive of allowance is rupees one thousand six hundred and fifty and above per mensem shall be created by the Board except with the previous approval of the Central Government.

(2) The appointment of officers and other members of staff shall be made by the Chairman except as otherwise provided for elsewhere in the Scheme;

Provided that no appointment to posts the maximum salary of which exclusive of allowances is rupees one thousand and six hundred and fifty and above per mensem shall be made by the Chairman except with the previous approval of the Central Government :

Provided further that the approval of the Central Government shall not be necessary to any appointment in a leave vacancy of a duration of not more than one month.";

(2) in clause 8,—

(a) sub-clause (a), (b), (c) and (k) shall be deleted.

(b) for sub-clause (1), the following sub-clause shall be substituted, namely :—

"(1) subject to the provision of clause 6, sanction to creation of posts.";

(3) in clause 10,—in sub-clause (1),

(a) for items (a) & (b), the following items shall be substituted, namely :—

"(a) to fix the number of workers under various categories and to increase or decrease the number of workers in any category on the Register from time to time as may be necessary after a periodical review of Registers and anticipated requirements with the previous approval of the Central Government;

(b) to sanction the temporary registration of a specified number of workers in any category for a specified period;"

(4) after clause 17, the following new clause shall be inserted, namely :—

**17A : Interchangeability** :—(a) The Chairman shall have power to deploy surplus workers in a category to the category wherein there is a shortage of workers, as also under any one of the categories of worker covered by the Kandla Unregistered Dock Workers (Regulation of Employment) Scheme 1968 subject to the condition that such deployment will not lead to reduction in the wages or loss of benefit from the past service;

**Note :—**If the category of Scheme in which there is a shortage carries lower wage or benefit, transfer will be made on the basis of seniority, junior-most person being transferred and the wages and benefits being enjoyed by them protected as personal to them.

(b) The Chairman shall also have the power to deploy any surplus worker employed under the Kandla Port Trust in a category in which there is a shortage subject to the condition that deployment will not lead to reduction in the wages or loss of benefit from past service";

(5) in clause 18,—

(i) for the word "Board" wherever it occurs, the word "Chairman" shall be substituted.

(ii) after sub-clause (1), the following sub-clause shall be inserted, namely :—

"(1A) The Chairman shall periodically review the numbers of workers required in each category and shall take suitable action to adjust the number with the approval of the Central Government."

(6) in clause 19,—

(i) In sub-clause (3) for the word "Board", the word "Chairman" shall be substituted;

(ii) for sub-clause (4) the following sub-clause shall be substituted, namely :—

"(4) Any fresh recruitment, whether on a temporary or permanent basis, in any category in which dock workers have already been registered under the Scheme shall be done from amongst the workers registered with the Local Employment Exchange. If, however, there is a surplus in any category of workers employed by the Kandla Port Trust such surplus workers may be transferred and registered under this scheme. After the transfer, if the requirement exceeds the number of suitable men available on the register of the Employment Exchange on the day of the requisition, direct recruitment may be made after absorbing suitable men from the Employment Exchange register"

(7) in clause 45, for sub-clause (3), the following shall be substituted, namely :—

"(3) The Labour Officer shall consider any matter under sub-clause (1) or (2) and if, after preliminary investigation and after giving reasonable

opportunity to the worker of being heard, he is satisfied that the registered dock worker has failed to comply with a lawful order as aforesaid, pass an order that the registered dock worker shall not be paid under clause 44 for such period as Labour Officer thinks fit";

## (8) In clause 46;—

- (i) in sub-clause (1), item (ii), sub-item (b), for the word 'Board' wherever it occurs the word 'Chairman' shall be substituted;
- (ii) in sub-clause (5), after item (c), the following item shall be substituted, namely :—  
"(ca) effect reduction in his pay and/or revert him to the lower category";

(9) in Schedule-I of the Scheme, after item 1 the following item shall be inserted, namely :—

"(1a) Shore handling of general cargo (i.e., other than bulk cargo) i.e., loading/unloading of the cargo into/from the slings on the wharf and carrying the same from wharf to the transit area, and vice versa, handling of the cargo within the transit area, in case there is surplus in the Kandla Dock Labour Board and shortage in the corresponding categories of cargo handling workers under the Port Trust".

New Delhi, the 26th May, 1982

**S.O. 2186.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Bombay, in the industrial dispute between the employers in relation to the management of Punjab National Bank and their workman, which was received by the Central Government on the 25th May, 1982.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. I BOMBAY

Reference No. CGIT-8 of 1975

## PARTIES :

Employers in relation to the Punjab National Bank

AND  
Their Workmen

**APPEARANCES :**

For the Employers—Mr. V. V. Pai, Advocate.

For the Workmen—Mr. M. S. Udeshi, Advocate.

**INDUSTRY :** Banking.**STATE :** Maharashtra.

Bombay, the 30th day of April, 1982

**AWARD**

The Government of India, Ministry of Labour, by order No. 23/9/69/IRIII dated 26th February, 1975, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947) have referred to this Tribunal for adjudication an industrial dispute between the employers in relation to the Punjab National Bank and their workmen in respect of the matters specified in the schedule mentioned below :—

**SCHEDULE**

"Whether the action of the Punjab National Bank in terminating the services of Sri Milkhi Ram Jamwal Chowkidar-Cum-Peon at Branch Office at Chembur, Bombay, with effect from 19th July 1968 is justified and if not to what relief is the workman entitled?"

2. The facts leading to this Reference are briefly these. The workman in this Reference, Milkhi Rani Jamwal, was first appointed at the Foreign Exchange Department of the Punjab National Bank (hereinafter referred to as the "Bank") sometime in 1958-59. Thereafter, he was appointed at Bank Ila'o House, Bombay Branch as Peon-cum-Chowkidar and continued upto the end of 1960 in temporary capacity with short intermittent breaks. On 14-12-1960 he was appointed as a probationer Peon-cum-Chowkidar at the Bank's office at Chembur (vide Ex. E-1, the letter of appointment). Before his appointment the workman had submitted an application dated 10th December, 1960 (vide Ex. E-2) to the Bank for appointing him as a Peon-cum-Chowkidar. At the time of his appointment he was asked to produce satisfactory proof of his educational qualification. The case of the bank is that accordingly he produced a certificate purporting to be one issued by the Headmaster of the Himachal Pradesh Government High School, Sandhole. According to the Bank, a true copy of the original certificate was prepared by the Accountant of the Bank, Mr. Kini, on 23-1-1961. The certificate produced by the workman, inter alia stated that he was reading in the ninth class high Department. The date of issue of the certificate was 21-12-1957. In October 1964 the Asstt. General Manager's office received an anonymous complaint that the workman had produced a fake educational certificate while securing employment in the Bank, and the Branch Manager was advised to investigate into the matter. The Branch Manager, Chembur upon instructions from the Asstt. General Manager, addressed a registered letter dated 20-1-1965 to the Headmaster, Mimachal Pradesh Government High School Sandhole, enclosing a copy of the School leaving Certificate prepared out of the true copy of the certificate held in the Bank in the service file of the workman, requesting the Headmaster to verify the contents of the certificate from the School record and certify its genuiness. In the meanwhile, the Head Office of the Bank also received a similar anonymous complaint and they directed the Asstt. General Manager, Bombay, to submit his report in the matter. After several reminders the verification report was received at the Bank's Chembur Office on 8th September, 1967. According to the case of the Bank, the Headmaster stated there :—

"After complete verification of the school record, I have come to the conclusion that Shri Milkhi Ram whose particulars were sent to this office by your office was not the student of Ninth Class of this school."

He further added :—

"that the school on 15-7-2004 was Lower Middle when Shri Ram Chand was the Headmaster of this school".

The Headmaster described the certificate sent to him as 'fictitious' and returned the copy of the certificate supplied to him with the word 'fictitious' on it.

3. On 26th December, 1967, the workman was given a copy of the said letter received from the Headmaster and was asked to explain in writing the following :—

- (i) about genuineness of the school leaving certificate.
- (ii) his remarks on the letter received from the Headmaster of the school, declaring the school leaving certificate produced by him as fictitious.

The workman gave his explanation on 21-2-1968 (vide Ex. E-15/2) in Hindi in his own hand-writing. The case of the Bank is that he stated in the explanation that he has studied upto IVth Standard and that the workman admitted that he had produced a fake educational certificate to secure employment in the Bank. He prayed for being pardoned. The Bank, therefore, decided that the workman was not fit to retain in the services of the Bank. The Asstt. General Manager, Bombay, thereafter passed orders, dated 15-7-1968, terminating the services of the workman (vide Ex. E-19), in accordance with the provisions in para 522 of the Sastry Award, which was binding on the workman. It was further ordered that in lieu of three months' notice of termination the workman was to be paid three months' pay and allowances. The services of the workman were terminated on 19th July, 1968.

4. The appeal preferred by the General Secretary of the All India Punjab National Bank Employees' association on 25-7-1968 to the General Manager of the Bank stating therein, inter alia that the punishment of termination was too severe, and also the appeal filed by the workman personally to the General Manager of the Bank were rejected. The dispute was raised before the Conciliation Officer, who made a failure report to the Government. The Government, on 13-3-1969, came to the conclusion that the dispute was not fit for reference to the Industrial Tribunal for adjudication (vide Ex. E-23). The Government, however, in a fresh application by the Union on behalf of the workman decided on 26th February, 1975, to refer the matter for adjudication. The Reference was accordingly made to this Tribunal as stated above.

5. The parties have filed the statement of claim and written statement and rejoinders thereto which run into several pages. I shall refer to the averments in the pleadings of the parties which have a bearing on the points that were canvassed, before me. The statement of claims has been filed on behalf of the workman by the General Secretary of the Punjab National Bank Workers' Organisation. It is stated that in December 1960 the workman was appointed on permanent basis at Bank's Chembur office. In 1964 some enemy without disclosing his identity complained to the Asstt. General Manager, Bombay, that the workman had given "ungenuine School Certificate". The Asstt. General Manager did not consider this matter regarding educational qualification as an offence worth taking action against the workman and closed the matter without taking any action, and he informed the Head Office accordingly. It is further stated that in 1967 June an all India strike took place in the Bank. It ended in failure by the end of 1967. The Bank took revengeful and retaliatory action against certain workmen. The present workman was one of the victims of such retaliatory action. A memo dated 26-12-1967 alleging that he had submitted an unguine School Leaving Certificate was given to him and he was asked to explain. This communication was in English. The workman did not know English. The workman took the help of some employees to submit his explanation and denied the fact of giving the alleged certificate. The workman was assured that very light punishment, if any, may be awarded to him. An enquiry was never conducted and the Asstt. General Manager vide his letter dated 15-7-1968 informed the workman that it had been decided to terminate his services from the Bank with immediate effect, under para 522(1) of the Sastry Award as adopted by the Desai Award. The workman made an appeal to the General Manager. However, this appeal was rejected without giving any personal hearing. It was submitted in the statement of claim that the order of termination of the workman was illegal, mala fide, unjust and not in accordance with the law. It is alleged that the punishment of dismissal is masked at the simple discharge. This was a colorable exercise of arbitrary power. Even this discharge is not in accordance with the law and practice as the conditions precedent have not been observed. No principles of natural justice were

observed and no proper opportunity was given to the workman for his defence. No enquiry was held. The alleged school certificate was never shown to the workman. The act of termination of the services of the workman constitutes an unfair labour practice. The order of termination of the workman was bad in law as the conditions of payment of all wages, notice pay, provident fund, and gratuity have not been satisfied at the time of termination. The termination of the services of the workman amounted to retrenchment and the provisions of Section 23-F of the Industrial Disputes Act, 1947, were not complied with. It was also stated in the statement of claim that a number of persons in subordinate category have been appointed with qualifications lesser than that of the present workman and they are made permanent. There is no hard and fast Rule as to qualification for Peon and even for Clerk and Cashier. The order of termination was made on account of the alleged misconduct of the workman in respect of the alleged school certificate. The procedure of enquiry in respect of the alleged misconduct has not been gone through, and therefore the order of termination is illegal and bad in law. The punishment meted out to the workman is shockingly disproportionate and was the result of victimisation after the all India strike was over. On these grounds, it was prayed that the order of termination passed against the workman be set aside and the relief of reinstatement with full back wages and all consequential benefits be given to the workman.

6. The employer-Bank in its written statement dated 21-4-1975 pointed out that the Government by its letter dated 13th March, 1969, refused to refer the matter for adjudication to an Industrial Tribunal. It is only after a lapse of six years that the Government has decided to refer this matter for adjudication before this Tribunal without giving any reasons. The Bank contended that it has laid down rules for recruitment of staff in various categories including Peons, in its Staff Department Circular No. 242 dated 6th March, 1957. It was laid down in the said circular, inter alia, that the educational qualification of Peons should be at least Middle pass. While joining the services of the Bank, the workman produced a School Leaving Certificate purported to have been issued by the Headmaster, Himachal Pradesh Government High School, Sandhole on 21-12-1957 certifying, inter alia, that the workman was reading in the ninth class high Department. The workman also made a declaration on 29-7-1963 that he had passed Middle examination from the Government High School, Sandhole. An anonymous complaint was received in October, 1964, that the workman had produced a fake educational certificate while securing employment in the Bank. Asstt. General Manager then vide his letter dated 20-1-1965 addressed a registered letter to the Headmaster, Himachal Pradesh Govt. High School, Sandhole, enclosing a copy of the School Leaving Certificate taken out of the certified copy held in the Bank requesting him to verify certificate from the School record and certify its genuineness. Several reminders were issued thereafter, but no reply was forth coming from the Headmaster. In the meanwhile, the Head Office of the Bank also received a similar anonymous complaint. They directed the Asstt. General Manager, Bombay, to submit his report in the matter. After several reminders to the Headmaster of the said School, a verification report which was undated was received at Bank's Chembur Office on 8th September, 1967, and was in the following words :—

"I have the honour to inform you that after complete verification of the school record, I have come to the conclusion that Shri Milkhi Ram whose particulars were sent to this office by your office was not the student of Ninth class of this school. It is further added that the school on 15.7.2004 was Lower Middle when Shri Ram Chand was the Headmaster of this school".

The Headmaster informed that the certificate produced by the workman to the Bank was fictitious. He therefore returned the copy of the certificate sent to him with the word 'fictitious' written on it. On 26th December, 1967, the workman was given a copy of the letter received from the Headmaster and was asked to submit his explanation. He gave his explanation on 21-2-1968. He stated that on account of poverty in the family he gave up his studies at the school after reading IVth Standard. When he came to Bombay to a relative of his he was told that he could secure a job of a Peon in the Bank provided he gave a certificate of having passed VII Standard. He then contacted a teacher of the School in the village

and the School teacher then told him that for the job of Peon not much qualification was needed and that the certificate which he then gave would enable him to get a job. On the basis of that certificate he secured a temporary job of Peon in May 1958 in the Foreign Exchange Department of the Bank for a period of three months. Thereafter, he got a permanent job at the Chembur Branch of the Bank. The Bank further pointed out in its written statement that the workman asked for forgiveness of his conduct stating that he was the only earning member in the family. It was pointed out that the workman further added in his explanation that due to compelling circumstances he had to go in search of a job and with the help of the certificate given by his teacher, he got the job without knowing the consequences of the same.

7. The Bank further pointed out in its written statement that the workman having admitted in his explanation that he had produced fake educational certificate to secure employment in the Bank, it was decided that he was not a fit person to be retained in the services of the Bank. The Asstt. General Manager, Bombay, thereafter passed orders on 15-7-1968 terminating the services of the workman in accordance with the procedure laid down in clause 522 of the Sastry Award, which was binding on the workman. His services were terminated on 19th July, 1968, and a cash order for Rs. 817.20 being the amount equivalent to his three month pay and allowances was also issued in his favour. It was further pointed out in the written statement that the General Secretary of the All India Punjab National Bank Employees' Association, Delhi, the parent organisation of the Association sponsoring the present industrial dispute appealed on 25-7-1968 to the General Manager of the Bank, stating therein that the punishment of the termination was too severe for the only fault of having given a false educational certificate for employment and prayed for his reinstatement, after giving him some lighter punishment. The Bank pleaded that the termination of the services of the workman was a case of discharge simplicitor, in accordance with the Standing Orders applicable to the workman. On these pleas the Bank submitted that the workman was not entitled to any relief.

8. In its rejoinder the Union (Punjab National Bank Workers' Organisation) pleaded that even though the Head Office of the Bank formulated some rules for recruitment of the staff, the same have never been followed. The appointments are made without following the rules of minimum qualifications. Reliance was placed in this behalf upon a copy of a letter of the Bank dated 17-9-1963 addressed to the Asstt. General Manager, Appollo Street, Bombay. It was denied that the workman gave any certificate of any Headmaster showing that he was reading in IX Standard. It was denied that the workman had given any declaration to the Manager of Chembur Branch saying that he had passed Middle examination from the Himachal Pradesh Government High School. It was stated in this rejoinder that the explanation dated 21-2-1967 given by the workman was not properly interpreted and wrong inferences were drawn therefrom. It was denied that the termination of the services of the workman was a case of discharge simplicitor.

9. In the sur-rejoinder filed on behalf of the Bank it was reiterated that the action of the Government in making the Reference to this Tribunal after nearly six years was unreasonable and unjustified.

10. By its application dated 30th September, 1977, the Bank sought an amendment to its written statement by adding a para after para 14 of the written statement. The amendment sought is as follows :—

"In the alternative, on the footing that the "termination" was in reality a dismissal order for acts of misconduct, the employer Bank may be permitted to treat its action as one of dismissal without an enquiry being held and in which event the Employer Bank may be further permitted to prove the alleged acts of gross misconduct before this Hon'ble Tribunal by adducing necessary evidence and arguments".

The application for amendment was opposed on behalf of the workman. The Tribunal by its order dated 5th December, 1977, allowed the aforesaid amendment.

11. In view of the contentions raised before me, the points that arise for my considerations are (i) whether the order of termination which is described as discharge simplicitor by the Bank is valid and legal, (ii) if not, whether the Bank has proved by adducing evidence before this Tribunal that

the workman has committed an act of misconduct attributed to him, (iii) if yes, what should be the punishment to be meted out to the workman and (iv) what relief, if any, should be given to the workman, in case, the order of termination is found to be bad in law and unjustified.

12. It is contended for the workman that the foundation of the order of termination of the services of the workman is the misconduct attributed to him by the Bank. No enquiry was held before the order of termination was made. The order of termination is, therefore, punitive in nature. It is submitted that it is not a case of discharge simpliciter, but it is a case of dismissal without enquiry. It is, therefore, urged that this order is invalid and illegal and it should be set aside.

13. Para 522 of the Sastry Award finds place in Section IV which deals with procedure for termination of employment of the services of the employees of the Banks covered by that Award. Now, para 522(1) of the Sastry Award is in the following terms :—

"In cases not involving disciplinary action for misconduct and subject to clause (6) below, the employment of a permanent employee may be terminated by three months' notice or on payment of three months' pay and allowances in lieu of notice. The services of a probationer may be terminated by one month's notice or on payment of a month's pay and allowances in lieu of notice".

Clause (6) deals with the procedure to be followed in connection with that conclusion, case, of contemplated closing down or of retrenchment of more than five employees. We are not concerned with sub-para (6).

13. It is clear that para 522(1) under which the services of the workman in this case are sought to be terminated deals with cases not involving disciplinary action or misconduct.

14. Now, in the case of Gujarat Steel Tubes Ltd. v. Its Mazdoor Sabha (1980 I.L.C. 1004) the Supreme Court has observed :—

"The form of the order of termination or the language in which it is couched is not conclusive. The court will lift the veil to see the true nature of the order. If two factors co-exist, an inference of punishment is reasonable though not inevitable. If the severance of service is effected, the first condition is fulfilled and if the foundation or cause causans of such severance is the servant's misconduct the second is fulfilled. If the basis or foundation for the order of termination is clearly not turpitudinous or stigmatic or rooted in misconduct or visited with evil pecuniary effects, then the inference of dismissal stands negated and vice-versa. The Court will find out from other proceedings or documents connected with the formal order of termination what the true ground for the termination is. A termination effected because the master is satisfied of the misconduct and of the consequent desirability of terminating the services of the delinquent servant is a dismissal, even if he had the right in law to terminate with an innocent order under the Standing Order or otherwise. Whether, in such a case the grounds are recorded in a different proceeding from the formal order does not detract from its nature. Nor the fact that, after being satisfied of the guilt, the master abandons the enquiry and proceeds to terminate. Given an alleged misconduct and a live nexus between it and the termination of service the conclusion is dismissal, even if full benefits as on simple termination, are given and non-injurious terminology is used".

15. Now, we have at Ex. E-17, the order of termination of the services of the workman. The order is dated July 15, 1968, and is in the following words :—

"This has reference to his explanation letter dated 21-2-1968 addressed to the Officer Incharge, P. O. Chembur. It has been decided to terminate his services from the Bank with immediate effect, under para 522(1) of the Sastry Award as adopted by the Desai Award. He will be paid three months'

pay and allowances in lieu of notice in terms of the said para of the Sastry Award".

This order itself shows that the foundation of the order of termination lies in the alleged misconduct of the workman. As observed by the Supreme Court in the case of Gujarat Steel Tubes Ltd. v. Its Mazdoor Sabha (supra), a termination effected because the master is satisfied of the misconduct and of the consequent desirability of terminating the service of the delinquent servant is a dismissal, even if he had the right in law to terminate with an innocent order under the Standing Order or otherwise.

16. It is, therefore, clear that the order of termination is punitive in nature and amounts to a dismissal without enquiry. It is, therefore, bad and illegal. This position is not now disputed on behalf of the Bank. In fact, realising this hurdle in its way the Bank has filed an application for permitting it to adduce evidence of misconduct before this Tribunal.

17. Mr. Udeshi, the learned counsel for the workman, strenuously submitted the order of termination in this case amounts to retrenchment within the meaning of Section 2(oo) of the Industrial Disputes Act, 1947. Now, Section 2(oo) defines 'retrenchment' as meaning the termination by the employer of the service of a workman for any reason whatsoever, otherwise than as a punishment inflicted by way of disciplinary action. The Section enumerates the cases which are exempted from the definition. The case of the present workman does not fall in any of the exempted categories.

18. Now, in the case of Santosh Gupta v. State Bank of Patiala (1980 I.L.C. 687) the Supreme Court has observed :—

"The expression "termination of service for any reason whatsoever" in Section 2(oo) covers every kind of termination of service except those not expressly provided for by other provisions of the Act such as 25F and 25FF".

This was a case where the workman was discharged on the grounds that she did not pass the test which would have enabled hereto be confirmed. It was held that this was 'retrenchment' within the meaning of Section 2(oo) and, therefore, the requirements of Section 25F had to be complied with. In this case a reference has been made to the other decisions of the Supreme Court dealing with the connotation of the expression 'retrenchment'. Now, in the instant case no mandatory requirements of Section 25F have been admittedly complied with. The termination of the services of the workman in this case is, therefore, invalid and inoperative on this ground also.

19. Realising the infirmities from which the order of termination is rendered invalid, the Bank sought an amendment in its pleadings, and sought permission to treat its action of termination of the services of the workman as one of dismissal without any enquiry being held, and sought further permission to prove the act of an alleged gross misconduct before this Tribunal by adducing necessary evidence. That permission was granted. When this permission was sought reliance was placed on behalf of the Bank on the decision of the Supreme Court in the workmen of M/s. Firestone Tyre & Rubber Co. of India (Pvt.) Ltd. v. The Management & others (1973 I.L.J.) p. 278). It was held in that case that the employer is entitled to adduce evidence for the first time before the Tribunal even if he had held no enquiry or the enquiry held by him is found to be defective.

20. The question, therefore, that arises in this case is whether on the evidence adduced by the Bank, the misconduct attributed to the workman stands proved. The misconduct attributed to the workman is that he produced a fictitious certificate about his educational qualifications at the time of his appointment in the Bank in December, 1960. He produced the School Leaving Certificate purported to have been issued by the Headmaster of the Himachal Pradesh Government High School, Sandhole on 21st December, 1957 certifying, inter alia that the workman was reading in the Ninth class. It is the case of the Bank that according to their Circular No. 242 dated 6th March, 1957, the educational qualification for a Peon was Middle pass. By middle they mean VIII standard. The charge against the workman is that he has not passed VIII Standard and produced a

fictitious certificate showing that he had passed VIII Standard. The workman in his rejoinder in reply to the written statement of the Bank stated that he had not given a certificate, but a letter from the local teacher who had coached him. He says that he had not given a School Leaving Certificate purported to have been issued by the Headmaster of the Himachal Pradesh Government High School.

21. The case made out by the workman in his deposition before this Tribunal is that in May 1958 he joined the Bank as a Peon. The appointment was for a temporary period of three months. He was attached to Foreign Exchange Department of the Bank. In para 9 of his deposition he says that he had produced the certificate of the teacher before Mr. Mathuria, who was the Manager of the Foreign Exchange Department. The case of the workman, therefore, is that he had produced a letter of his teacher before Mr. Mathuria, the Manager of the Foreign Exchange Department, in May 1958, and that he had not produced any certificate. In addition to the documentary evidence produced by the parties the oral evidence adduced on behalf of the Bank consists of three witnesses. Exhibit E-1 is Mr. Shantaram Kini, who was the Officer in the Chembur Branch of the Bank from December 1960 to January 1970. Exhibit F-2 is Mr. Shyam Lal Mehta, who was serving as the Asstt. General Manager of the Bank at Bombay from April 1966 to October 1971. Exhibit E-3 is one Prabhakar Nerulkar. At the relevant time he was working in the Chembur Branch of the Bank and his position was next to the Manager. The workman examined himself at Exhibit W-1. He examined Sipal Jadbav at Exhibit W-2, who had joined the Bank in 1964 as a Chowkidar. He was examined to show that there were some persons who were employed between 1961 and 1963 as Chowkidars and they were not educated. Now, the original certificate of the Headmaster of the Himachal Pradesh Government High School, Sandhole is not on record. We have a document purporting to be a true copy of that certificate. In the deposition of Exhibit E-1, Mr. Kini, it is marked as K-1 for identification. The case of the Bank is that the original certificate was returned to the workman. Mr. Kini made a true copy from that original certificate on 23rd January, 1961 and that was retained in the office of the Bank. Mr. Pai for the Bank submits that this document marked as X-1 be now exhibited as he has adduced satisfactory evidence to show that document X-1 was prepared by Mr. Kini from the original certificate which was returned to the workman. Mr. Pai referred to certain circumstances disclosed from the document and oral evidence in support of his submission that document X-1 be exhibited. I shall deal with the question of exhibiting the document a little later.

22. Having gone through the oral and documentary evidence on record I am inclined to hold that the workman had given a certificate as per document X-1 to Mr. Kini at or about the time of joining the service in the Bank at Chembur Branch in December 1960. Now, there is no dispute and it is the case of the workman that he had studied upto IVth Standard only. His case is that he produced the letter of the teacher regarding his educational qualification in May 1958 before Shri Mathuria when he was temporarily appointed in the Foreign Exchange Department of the Bank. The case of the Bank is that he produced the School Leaving Certificate, inter alia showing the educational qualifications, at or about the time he was taken up in service in the Chembur Branch of the Bank in December 1960. Document X-1 bears the date of December 1957. On closer scrutiny of the evidence on record, I am inclined to think that both these cases may be true. The workman must have produced a letter or a certificate before Mr. Mathuria in May 1958 as he says, and he must have also been required to produce a certificate showing his educational qualifications at the time when he was taken up in service in Chembur Branch as a probationary Peon-cum-Chowkidar rather than permanent basis in December 1960. The material question is whether he produced a false and fictitious certificate before the Officers of the Bank at Chembur Branch at or about the time when he was appointed there stating that he has passed VIIIth Standard when in fact he had studied upto IVth Standard. The case of the workman as stated in his deposition is that he had received a letter from one of his relatives by name Bhagat Ram, working in the Punjab National Bank (see para 21 of his deposition) stating that there should be the educational qualification of VIIth Standard for securing service in the Bank.

One Mohan Lal was his teacher. He went to Mohan Lal and told him that he had received a letter stating that there should be the educational qualification of VIIth Standard. The workman says:

When I went to Mohan Lal I told him that I have received a letter stating that there should be the educational qualification of VIIth Standard. If I had it well and good, otherwise I was told to go to the teacher and get whatever he would write. I went to Mohan Lal and I told that I have studied upto IVth Standard. I required the certificate as I was to go to Bombay for getting service. Mohan Lal knew that I have studied upto IVth Standard. He gave me certificate. I took it".

The letter written by Bhagat Ram is not on record. Bhagat Ram also is not examined as according to the workman he died two to three years back. The workman admits in para 21 of his cross-examination that Bhagat Ram had written to him that for getting service in the Punjab National Bank, passing VIIth Standard was required. Now, the workman in his deposition does not say that letter or certificate given by his teacher Mohan Lal stated that he had studied upto IVth Standard only. The deposition of the workman shows that he must not have read that letter. It is, therefore, difficult to believe that he must have produced a certificate or a letter before Mr. Mathuria or before the Officer of the Chembur Branch of the Bank stating that he had studied upto IVth Standard only.

23. Exhibit E-1 is the memorandum issued by the Officer-in-Charge of the Chembur Branch on 14th December, 1960 informing the workman that he was appointed as a probationary Peon-cum-Chowkidar. That memorandum requires the workman to produce satisfactory proof of his educational qualifications and age. According to the Bank, he produced the certificate accordingly of which document X-1 is a true copy. It is reasonable to presume that the workman must have been asked to produce the certificate regarding his educational qualifications when he was taken up as a probationary Peon-Chowkidar in December 1960. The copy of certificate bears the date 21-12-1957. Mr. Kini states in para 28 of his cross-examination that whenever a new peon is to be appointed in the Bank it is ascertained as to how far he is educated. This is done even for temporary workers. Workman was temporarily appointed as a Peon in or about May 1958. When he came in search of a job in the Bank, he must have obtained the certificate. He must have used the same certificate when he was appointed as a probationary Peon-cum-Chowkidar in December 1960. According to the workman, he obtained a letter from his teacher Mohan Lal, and according to the Bank he produced the certificate purporting to have been issued by the Headmaster of the Government High School, Sandhole. The workman, as I have pointed out above does not say that the letter which he had obtained from his teacher stated that he has studied upto IVth Standard only. When his relative Bhagat Ram informed him that the qualification necessary for securing a service in the Bank was the passing of VIIth Standard. It is reasonable to presume that the workman was interested in securing a certificate which stated that qualification. It is not likely his teacher Mohan Lal would give him a certificate stating that he had studied upto IVth Standard only, when the qualification for securing service in the Bank was the passing of VIIth Standard.

24. It appears that after the Bank received an anonymous complaint, they sent a copy of the document X-1 to the Headmaster, Himachal Pradesh Government High School, Sandhole, for verification. After a long time and after a number of reminders, according to the Bank, a letter was received from the Headmaster of the School stating that the certificate as per document X-1 was fictitious. The Bank placed on record a copy of the letter of the Headmaster. It is only at the time of arguments that the learned counsel for the Bank produced the original letter of the Headmaster. I have not exhibited the same as he produced it late. Exhibit E-13 is a memo issued by the manager, Chembur Branch to the workman, after the Bank received a letter from the Headmaster of the Himachal Pradesh Government High School, Sandhole. The memo is dated 26th December, 1967. That memo was accompanied by a copy of the letter received from the Headmaster of the High School. The text of the memo is as follows :-

"The School Leaving Certificate produced by you at the time of your appointment in the service of the

Bank was referred to the concerned School Authorities and they have termed it as fictitious as per copy of their letter enclosed.

You should, therefore, explain in writing

- (i) about genuineness of the school leaving certificate.
- (ii) Your remarks on the letter received from the Headmaster of the school, declaring the school leaving certificate produced by you as fictitious".

Your explanation in duplicate should reach the undersigned within a week's time from the date of this letter".

As the workman did not submit his explanation, a reminder was sent to him on 16th February, 1968. Finally, the workman sent his explanation on 21-2-1968. It is marked as Exhibit E-15. It is in Hindi and in the hand-writing of the workman. In this explanation, inter alia, it is stated as under :—

- (i) I request that the lapse on my part was the result of my ignorance and also on account of my domestic circumstances. I may please be excused.
- (ii) I left my village in search of a job to support my poor family. In the meantime, I came to know from a relative of mine, who was in Bombay at that time that there was a vacancy of peon in the Punjab National Bank and a certificate of VIIIth Standard pass was required for the same. I consulted my teacher. He advised me that there was no necessity of higher qualification for the service of a Peon. He told me that he would give me a certificate which would be helpful in securing a job.
- (iii) On the basis of that certificate I got the job in May 1958 in your Foreign Exchange Department as a temporary Peon for a period of three months. Again I got the job for a period of one year at your Ilace House Branch. Now, I am working as a Peon-cum-Chowkidar since 14th December, 1960 in this Branch.
- (iv) Everybody is pleased with my work and honesty. I was compelled in the circumstances to go in search of a job and with the help of the certificate given by my teacher I got the job. I did not know what would be the consequences of this. The only question before me at that time was how my domestic atmosphere and reputation will not be spoiled and how to support my parents, wife and children.
- (v) I humbly request that I may please be pardoned for this, I and my family will be highly obliged for your kindness".

25. This explanation dated 21-2-1968 given by the workman in his own hand-writing, about two months after the receipt of the memo dated 26th December, 1967 (Exhibit E-13) brings out the following facts :—

- (i) A relative of his from Bombay wrote to him that it was possible to secure the job of a Peon in the Punjab National Bank for which a certificate of VIIIth Standard pass was necessary.
- (ii) His teacher gave him a certificate. The workman does not state in his explanation what the teacher wrote about his educational qualification. He vaguely states that the teacher told him that higher qualification was not necessary.
- (iii) On account of adverse financial circumstances he was compelled to secure a job.

26. In fact, in this explanation he described the document given to him by the teacher as 'preman-patra', which ordinarily means a certificate. It is not likely that when he was in dire need of a service and when his relative of Bombay had written to him that the qualification necessary for the service of a Peon was VIIIth Standard pass he would

take a certificate showing lesser qualification therein. As I have pointed out, neither in his pleadings nor in his deposition he says positively that the letter or certificate which he produced before Shri Mathuria in 1958 contained a statement that he had passed IVth Standard. I have already pointed out that assuming that he had produced a letter or a certificate before Shri Mathuria in 1958 while obtaining the temporary job of a Peon, he must have also been required to produce a certificate showing his educational qualification when he was to be appointed as a probationary Peon-cum-Chowkidar in the Chembur Branch of the Bank in December 1960. In fact, he was called upon to produce such a certificate by Bank's memorandum dated 14-12-1960 (Exhibit-E-1). He must, therefore, have produced a certificate of or about the must, therefore, have produced a certificate of or about the dar in December, 1960.

27. We have then at Exhibit E-19, a representation dated 25-7-1968 made by the General Secretary of the All India Punjab National Bank Employees' Association of which the workman was a member. In that representation what is stated is that the punishment of the termination of the services of the employee who has put in blotless more than 9 years service is too severe for the only fault of having given a false educational certificate for employment as Chowkidar-cum-Peon. It is further stated that the workman is a family man termination of his services will mean nothing, but ruining his other dependents who are not at fault at all. The representation ends with the following prayer :—

"We, therefore, request you to kindly look into the matter and reinstate him and give him some lighter punishment than termination of services as the Bank did in another similar case of Bombay where two increments were withheld."

It may be mentioned that in the representation submitted through the Union there is no representation that the workman had not issued a false certificate. There was prayer for leniency in the matter of punishment only.

28. He have been a copy of the plaint (Ex-E-24) filed on behalf of the workman in the Bombay City Civil Court. Para 3 of that plaint is in the following terms :—

"The Plaintiff states that when he joined in service with the said Bank at Chembur Branch there was no hard and fast procedure adopted by the said Bank so far as the eligibility is concerned for the Class IV recruitments. It was only held necessary that employee in the said Class post should have studied upto VIII standard (Middle Class). The Plaintiff states that he having studied with the local Teacher upto IXth Standard asked the Teacher in his individual capacity to certify that the Plaintiff had studied upto IXth Standard and the said letter was received from the Local Teacher and was submitted to the said Bank at the time of joining the services with the said Bank".

It appears that the workman's suit in the Bombay City Civil Court against the Bank for declaration that the order of termination of service passed against him was bad in law was dismissed on the preliminary point of Limitation. The Bank, however, relies on the averment in this plaint to show that the workman had asked for a certificate from his local teacher to the effect that he had studied upto IXth Standard and he had received that certificate from the teacher which he had submitted to the Bank at the time of joining the services with the said Bank. Para 3 of the plaint which is reproduced above opens with a recital that he had joined the service with the Bank at Chembur Branch. This recital shows that the workman had produced a certificate that he has passed IXth Standard at the time of his joining the service in the Chembur Branch of the Bank. It is submitted for the workman that this plaint must have been drafted by his Advocate rather carelessly or hurriedly without taking instructions from the workman. However, this document viz. the plaint filed in the Bombay City Civil Court does not stand alone. I have already referred to the other documents on record viz. the explanation of the workman and also the representation of his Union. Those documents do not state expressly that the workman had produced a letter or certificate showing that he had studied upto IVth Standard only.

29. Now, the evidence of Mr. Kini is to the effect that he prepared the document marked as X-1 for identification on the basis of the original (see para 16 of his cross-examination). He states that the original cannot be produced as it was given to the workman. The question is why Mr. Kini would tell a lie. The workman was employed at the Chembur Branch of the Bank when Mr. Kini was the Officer there. Mr. Kini stated in his cross-examination that he did not receive any complaint regarding the workman since the date of his appointment till his termination. He added that he did not give any cause of complaint during the period from 14-12-1962 to the date of his termination viz. 19-12-1967. According to Mr. Kini he was sincere and honest in his duties to all. It may appear from the correspondence (Exhibit E-7) that Mr. Kini had at one stage proposed to the Head Office of the Bank that enquiry proceedings against the workman in the matter of his allegedly produced the certificate be dropped. In view of these circumstances it is very difficult to hold that Mr. Kini will give false evidence the workman and specially when Mr. Kini is no longer in the service of the Bank. The workman stated in his statement of claim that there was an All India strike of the employees of the Bank in 1967 which ended in failure and that he was one of the five victims of the revengeful action taken by the Bank against certain workmen. The workman, however, admitted in his deposition that he had taken a part in this strike. It is, therefore, difficult to believe that the Officers of the Bank would be inclined to take some action against him on the basis of false evidence created by them.

30. The Bank did not produce the original letter sent by the Headmaster of the Himachal Pradesh Government High School, Sandhole, stating that the certificate produced by the workman was fictitious. The Bank sought to produce that original letter at the time of the arguments. A copy of that letter was supplied to the workman, when his explanation was called. I have not exhibited that original letter from the Headmaster as it was produced late. However, the admissions of the workman and other material on record satisfactorily in my view establish that the workman had studied only upto IVth Standard and that he had produced a certificate when he was appointed at the Chembur Branch of the Bank showing that he had passed VIIth Standard. Even in the absence of the original letter from the Headmaster of Sandhole High School stating that the certificate produced by the workman was fictitious, the admissions of the workman that he had studied upto IVth Standard only will show that the certificate was false. All these circumstances relied upon by the Bank to which I have adverted above satisfactorily establish that the workman produced a false certificate showing that he had studied upto IXth Standard at or about the time when he obtained the service in the Chembur Branch of the Bank. The Bank, thus in my view succeeded in establishing the misconduct attributed to the workman viz. he produced a false certificate in order to secure a job.

31. Now, the question is whether the document marked as X-1 should be exhibited and admitted in evidence. I am inclined to believe the version of Mr. Kini that the original document was returned to the workman and that he had prepared a true copy therefrom. There is a letter (Exhibit E-5) dated 28th January, 1965, by the Officer-in-Charge i.e. Mr. Kini of the Chembur Branch of the Bank addressed to the A.G. M's Office, Bombay. The text of the letter is as follows :—

"The subject has informed us that the original certificate of education is at his native place and on his writing to his relatives to send the original certificate they have replied that they have not been able to trace the document. It appears that they are unable to identify the certificate."

We have now written to the School authorities for confirmation".

This letter to a certain extent corroborates the version of the Bank that the original certificate must have been returned to the workman. It is true that under the provisions in his application dated 10th December, 1960 (Exhibit F-2) should have given a notice to the workman to produce the original certificate before it sought to tender in evidence the true copy therefrom. No such notice seems to have given to the workman. However, technical rules of procedure laid down

in the Indian Evidence Act are not applicable to the proceedings before the adjudicatory authorities under the Industrial Disputes Act. In the circumstances established from record I am inclined to hold that the true copy of the certificate marked as X-1 for identification should now be exhibited.

32. Even if this true copy is not exhibited and admitted in evidence there is sufficient material on record in the form of circumstances to which I have adverted above showing that the workman must have produced a certificate showing false educational qualifications at or about the time when he entered the service of the Bank in its Chembur Branch, in his application dated 10th December, 1960 (Exhibit E-2) for appointment in the vacancy of Peon the workman has stated that he had studied upto VIIIth Standard. This circumstances also fortifies the conclusion that he must have produced a certificate showing that he had passed VIIIth Standard.

33. Mr. Udeshi, the learned counsel for the Union, submitted that the original of X-1 is in the possession of the Bank. It appears from the record that the Union had sought inspection of certain documents from the Bank during the course of this Reference proceedings. It further appears that Mr. Pai, the Advocate for the Bank had then stated that the original certificate would be called from the Head Office of the Bank and would be given for inspection. This circumstance will not show conclusively that the original certificate must have been with the Bank. When Mr. Pai stated that he would call for the original document from the Head Office of the Bank. When Mr. Pai made that statement he may not have been properly instructed or he may not have taken full instructions from the Bank. Mr. Kini in para 16 of his cross-examination stated :—

"When asked to say on what basis I made the endorsement down below X-1 I say that this was on the basis of the original. The original cannot be produced because it is given to be workman. I volunteer it is never kept by the Bank. I did not obtain the acknowledgement of the workman when the original was given to him".

34. In the true copy of the certificate, X-1 there is a correction in the third line. That correction is in respect of the father's name of the workman. In para 18 of his cross-examination Mr. Kini was asked about the correction. He stated that correction is done by my Accountant. Accountant Mr. Nerulkar (Exhibit F-3) stated that he did not make that correction. His affidavit in that behalf is on record. He stated.

"I look at the corrections and I say that according to me they looked having been made by Mr. Kini, who was then Incharge of the Branch".

Now, I do not think that the discrepancy in their evidence is very material. The correction in the true copy (X-1) is in respect of the name of the father of the workman. It appears that correction may have been made to correct a typographical mistake. The discrepancy, therefore, pointed out does not in my view go to discredit the evidence of Mr. Kini as a whole.

35. It was then pointed out by Mr. Udeshi, the learned counsel for the workman that the true copy of the certificate was made on 23-1-1961. He further pointed out that the letter of appointment given to the workman called upon the workman to produce satisfactory proof of his educational qualification and age, etc. Mr. Udeshi submitted that this shows that the certificate must have been produced sometime after the appointment. Mr. Udeshi states that the case of the Bank as is seen from the pleadings is that the workman a false certificate at the time of his appointment in the Chembur Branch of the Bank. According to Mr. Udeshi, there is thus a discrepancy as to the point of time at which the certificate was allegedly produced by the workman. I do not find any force in this submission. When the Bank says that the workman produced the certificate at the time of his appointment in the Bank, the expression "at the time of appointment" should not be construed literally. At the time of appointment would mean "at or about the time of appointment".

36. In view of the foregoing discussion, it will have to be held that misconduct with the workman is charged stands proved. The next question is what should be the proper punishment for this misconduct. Mr. Pai, the learned counsel for the Bank, submits that the misconduct of which the workman is guilty is a gross misconduct within para 19.5 of the First Bipartite Settlement of 1966 and one of the punishments for such misconduct is dismissal. Para 19.5 enumerates the acts and omissions on the part of an employee which can be called "gross misconduct". Mr. Pai submits that the misconduct of the workman falls under Clause (j) of para 19.5. Clause (j) reads as under :—

"doing any act prejudicial to the interest of the bank or gross negligence or negligence involving or likely to involve the bank in serious loss".

According to Mr. Pai, if an employee makes a representation that he possesses certain qualifications which are necessary for being appointed to a particular post and if it turns out after appointment that the employee had made a false representation in that behalf that act on his part would be an act prejudicial to the interest of the Bank. As against this, Mr. Udeshi, the learned counsel for the workman, submits that it was the duty of the Bank to satisfy itself about the truth of the representations made or the certificate produced. After the Bank had chosen to appoint the workman and to keep him in service for a substantial period, it is not competent to the Bank to punish him if it is found that there was some misrepresentation about the qualification at the time of appointment. In this behalf Mr. Udeshi relies upon the decision of the Rajasthan High Court in the case of Rajeshwar Nath v. Union of India (1981 L.I.C. 696). Mr. Udeshi also submits that the conduct of the workman throughout after his appointment as desposed to by the witnesses examined for the Bank was blameless. His work was satisfactory. He, therefore, does not deserve any punishment, or at any rate the punishment of termination of his services.

37. Having regard to all the facts and circumstances of the case, I am inclined to hold that the punishment of termination of the services of the workman would be rather harsh and unjustified. As I pointed out above, Mr. Pai submits that the misconduct with which the workman is charged involves an act prejudicial to the interest of the Bank within Clause (j) of para 19.5 of the First Bipartite Settlement, 1966. Mr. Pai also submits that the acts and omissions enumerated in para 19.5 are not exhaustive. They are merely some instances of gross misconduct. Para 19.6 of the First Bipartite Settlement, 1966 speaks of punishments provided for gross misconduct. It is in the following terms :—

- "An employee found guilty of gross misconduct may :  
 (a) be dismissed without notice; or  
 (b) be warned or censured, or have an adverse remark entered against him; or  
 (c) be fined; or  
 (d) have his increment stopped; or  
 (e) have his misconduct condoned and be merely discharged".

It will appear from the above provisions that even if an employee is found guilty of gross misconduct he can be punished with some lesser punishment than the one of dismissal. Of course, that would depend upon the facts of each case. Mr. Pai for the Bank submits that if the alleged misconduct the dismissal is the only punishment that will meet the ends of justice. Mr. Pai relies upon the decision in the case of Ruston and Hornsby (I) Ltd. v. T.B. Kadam (1976 Vol. 3 SC 71) in support of his submission that the workman would deserve the punishment of dismissal if misconduct alleged against him is proved. That and other cases relied upon by Mr. Pai are the cases where the employee had misappropriated the money or had committed theft of the property of the employer. Now, in the instant case there is no allegation of misappropriation or theft of Banks property, the workman has studied at least upto IVth Standard. He can write in Hindi. He has given his explanation (Ex-F-15) in his own hand-writing. The workman has led evidence of a witness, Sipal Jadhav (Ex-W-2) who was working in the capacity of a Chowkidar in this Bank. He says that there were some other persons whose names he

has given in his deposition who were not educated and yet they are in the service of the Bank. Probably the witness refers to the cases of Chowkidars. The Union has then produced at Exhibit N-19, a copy of a letter written by the Manager of the Ilaco House of the Bank to the Asstt. General Manager, Bombay on 17-7-1963. The manager had written that letter in reply to the letter of the Asstt. General Manager dated 9-7-1963. That letter contained some information about temporary Godown Chowkidars. It shows that some of the incumbents mentioned in that letter did not possess any qualification as regards education. The Union has not shown that the educational qualification for the post of Peon-cum-Chowkidar was relaxed by the Bank. It is submitted for the Bank that the qualification was relaxed in the case of Chowkidar and not Peon-cum-Chowkidar. It would, however appear from the evidence of the witnesses examined by the Bank that the Officers under whom the workman worked had no complaint about his work. Mr. Kini has stated in para 22 of his cross-examination that the workman did not give any cause of complain during the period viz. 14-12-1962 to 19-12-1967. Mr. Nerulkar (Exhibit E-3) had stated in para 5 of his cross-examination that the work of the employee was satisfactory. This shows that even the workman had not passed VIIIth Standard his work was found to be satisfactory will, therefore, appear that no prejudice has been caused to the Bank. It then appears that the Bank did not take any steps for ascertaining the genuineness of the certificate produced by the workman. It appears from a letter addressed by the Secretary, of the Punjab National Bank to all its offices (Exhibit W-13) which, inter alia, states :—

"Some cases have now come to our notice where members of the subordinate staff have produced educational certificates from non-recognised schools. Incharges of office are, therefore, cautioned to satisfy themselves that certificates produced by the candidates for employment in the Bank are from regular and recognised schools and are genuine".

Without taking any steps for ascertaining the genuineness of the certificate produced by the workman the Bank allowed him to work for nearly four years before an anonymous complaint was received against the workman alleging that he had produced false educational certificate. Mr. Udeshi, the learned counsel for the Union, has relied upon the decision in the case of Rajeshwar Nath v. Union of India (1981 L.I.C. 696) where a single Judge of the Rajasthan High Court observed :—

"Where the employee who was appointed on the post of Class IV in Railway, was working continuously for more than one and a half decades, his retrenchment merely on the ground that his age was little more than the maximum eligible age for appointment at the time of his appointment was invalid. If the Railway had not been vigilant at the time of appointment, to ensure eligibility, it is not open to them to throw a railway employee out of employment in the casual manner after a period of 15 years".

To the same effect are the observations in the case of Shiv Dass Khajuria v. State of J. & K. (A.I.R. 1959 J&K 13). In that case also was some misrepresentation by the employee at the time of his appointment and he was discharged from service after about 2 years of his appointment. The order of discharge was held to be bad.

38. Having regard to all these circumstances, I am of the opinion that the workman does not deserve the punishment of dismissal. I was considering whether he should be punished by withholding two increments. It, however, appears that the workman would within a short time be reaching the maximum scale of his grade I have, therefore, to consider some other punishment. I think entering an adverse remark against the workman as contemplated in para 19.6 of the First Bipartite Settlement dated 19-10-1966 would be a sufficient punishment. I, therefore, direct that the workman should be punished with an adverse remark entered against him, in the relevant service records.

39. The next question is about the back wages. In view of the above findings, the workman will have to be reinstated in service with continuity of service. The normal rule on

reinstatement is full back wages. However, full back wages may be denied to the workman in exceptional cases. The Supreme Court has in the case of Gujarat Steel Tubes Ltd. v. Its Mazdoor Sabha (1980 L. I. C. 1004) observed in para 150 of the judgement :-

"Certainly, the normal rule, on reinstatement, is full back wages since the order of termination is non est. Lad's case (1979) I SCC 590, (AIR 1979 SC 582) and Panitole Tea Estate's case (1971) 3 SCR 774; (AIR 1979 SC 2171). Even so, the industrial court may well slice off a part if the workmen are not wholly blameless or the strike is illegal and unjustified. To what extent wages for the long interregnum should be paid is, therefore, a variable dependant on a complex of circumstances".

Now, in the instant case the services of the workman are terminated from 19th July, 1968, under Order of the Bank (Ex. E-17) dated 15th July, 1968. In the industrial dispute raised on behalf of the workmen, the Government by its letter dated 21st September, 1969, refused to refer this matter for adjudication. It is only thereafter on 26th February, 1975, that the Government decided to refer the matter for adjudication. The misconduct alleged against the workman has in my opinion been proved. The workman is thus not wholly blameless. It is found that he produced a false certificate at the time of his entry in the service of the Bank. If the Bank would have on proper enquiry detected the falsity in the certificate as regards educational qualifications within a short reasonable time the order of dismissal would perhaps have been justified. Condoning the blameworthy conduct of the workman, he is being reinstated. Having regard to all these circumstances, I think only 60% of the back wages should be paid to the workman. The workman will be entitled to proportionate monetary consequential benefits, such as contribution to Provident Fund, bonus or ex-gratia payment in lieu thereof, etc.

40. To sum up the matter, the order of termination passed by the Bank against the workman is found to be bad in law and therefore inoperative as the termination of the workman was for misconduct and no enquiry was held before terminating his services. The order of termination is bad and inoperative on the further ground that the termination amounted to retrenchment and no retrenchment compensation was paid. On the evidence led before the Tribunal the Bank has, however, proved the misconduct. In the facts and the circumstances of the case punishment of dismissal would, however, be too harsh and unjustified. The ends of justice would meet if the workman is punished by having an adverse remark entered against him in his relevant service records. The workman will be reinstated in service with continuity of service, but so far as the back wages are concerned he will be paid only 60% of the back wages, with proportionate consequential benefits.

41. My Award, therefore, is made accordingly. No order as to costs.

### ORDERS

New Delhi, the 26th May, 1982

**S.O. 2187.**—Whereas an industrial dispute exists between the employers in relation to the management of Kusunda Area of Messrs Bharat Coking Coal Limited Post office Kusunda District Dhanbad and their workmen represented by Rashtriya Colliery Mazdoor Sangh, Rajendra Path, Dhanbad;

And whereas, the said employers and their workmen have b a written agreement under sub-section (1) of section 10 A of the Industrial Disputes Act, 1947 (14 of 1947), agreed to refer the said dispute to arbitration and have forwarded to the Central Government a copy of the said arbitration agreement ,

Now, therefore, in pursuance of sub-section (3) of section 10 A of the said Act, the Central Government hereby publishes the said agreement which was received by it on the 18th May, 1982.

### AGREEMENT

(Under section 10-A of the Industrial Disputes Act, 1947)

BETWEEN

Names of parties:

Representing Employers: Sri S. N. Sinha, Personnel Manager, Kusunda Area, Post Office Kusunda, District Dhanbad.

Representing Workmen: Sri G. D. Pandey, Secretary, Rashtriya Colliery Mazdoor Sangh, Rajendra Path, Dhanbad.

It is hereby agreed between the parties to refer the following dispute to the arbitration of Shri J. N. Simlote, Dy. Chief Labour Commissioner (C), Dhanbad :

(i) Specific matters in dispute.

Whether the demand of Rashtriya Colliery Mazdoor Sangh for reinstatement of Shrimati Poko Mundain, Ex-Shale Picker of Dhansar Colliery of Bharat Coking Coal Limited, Post Office Dhansar, District Dhanbad is justified? If so, to what relief she is entitled?

(ii) Details of the parties to the Employers in relation dispute including the name and to Management of address of the establishment Kusunda Area of or undertaking involved Bharat Coking Coal

Limited, Post Office Kusunda, District Dhanbad.

(iii) Name of the workmen in case he himself is involved in the dispute or the name of the Union, if any, representing the workman or workmen in question

(iv) Total Number of workmen employed in the undertaking affected

1400

(v) Estimated number of workmen One affected or likely to be affected by the dispute:

The Arbitrator shall make his award within a period of six months from the date of publication of the arbitration agreement in the official gazette or within such further time as is extended by mutual agreement between us in writing. In case the award is not made within the period aforementioned, the reference to arbitration shall stand automatically cancelled and we shall be free to negotiate for fresh arbitration.

Signature of the Parties

Now therefore, in pursuance of sub-section (3) of section 10A of the said Act, the Central Government hereby publishes the said agreement which was received by it on the 18th May, 1982.

#### AGREEMENT

(Under Section 10 A of Industrial Disputes Act, 1947).

BETWEEN

Name of parties:

Representing Employers: Shri S.N. Sinha, Personnel Manager, Kusunda Area, Bharat Coking Coal Ltd., P.O. Kusunda, District Dhanbad.

Representing workmen: Shri G.D. Pandey, Secretary, Rashtriya Colliery Mazdoor Sangh, Rajendra Path, Dhanbad.

It is hereby agreed between the parties to refer the following dispute to the arbitration of Shri J.N. Simlote, Dy. Chief Labour Commissioner (Central), Dhanbad :

## (i) Specific Matters in dispute.

Whether the contention of the management of Kusunda area of Bharat Coking Coal Ltd., that the settlement dated 13-2-1980 reached between them and the Rashtriya Colliery Mazdoor Sangh, Dhanbad, in regard to the case of Smt. Gondia Kamin has become null and void because of Sri mati Gondia Kamin not joining duty at Gondudih Colliery of B.C.C.I., on transfer from East Bassuria Colliery is justified? If not, to what relief Sri mati Gondia Kamin is entitled?

## (ii) Details of the parties to the Employers in relation dispute including the name to management of and address of the establishment of undertaking involved:

Bharat Coking Coal Ltd., P.O. Kusunda, District Dhanbad.

## (iii) Name of the workmen in case he himself is involved in the dispute or the name of the Union, if any, representing the workman or workmen in question:

Rashtriya Colliery Mazdoor Sangh, Rajendra Path, Dhanbad.

## (iv) Total number of workmen employed in the undertaking affected:

1800

## (v) Estimated number of workmen affected or likely to be affected by the dispute:

One

The arbitrator shall make his award within a period of six months from the date of publication of the arbitration agreement in the official gazette or within such further time as is extended by mutual agreement between us in writing. In case the award is not made within the period aforementioned, the reference to arbitration shall stand automatically cancelled and we shall be free to negotiate for fresh arbitration.

Sd/-

S.N. Sinha  
Personnel Manager,  
Kusunda Area,  
Bharat Coking Coal Ltd.,  
P.O. Kusunda,  
Dist: Dhanbad.

Signature of Parties:

Sd/-  
(G.D. Pandey)  
Secretary,

Rashtriya Colliery Mazdoor Sangh, Rajendra Path, Dhanbad

## Witnesses:

(1) Sd/-  
(2) Sd/-

IN THE MATTER OF INDUSTRIAL DISPUTE  
BETWEEN

Employer in relation to management of Kusunda Area of Messrs Bharat Coking Coal Ltd, P.O. Kusunda, Dist. Dhanbad.

AND

Rashtriya Colliery Mazdoor Sangh (INTUC), Rajendra Path, Dhanbad in regard to Smt. Gondia Kamin, a workman of East Basuriya Colliery in Area VI of BCCL.

I hereby give my consent to act as Arbitrator under Section 10-A of the Industrial Disputes Act, 1947 in the above dispute.

J. N. SIMLOTE

Dy. Chief Labour Commissioner (Central) and Arbitrator

[No. L-20013(3)/82-D.III(A)]

A. V. S. SARMA, Desk Officer

New Delhi, the 31st May, 1982

Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal No. 2, Dhanbad in the industrial dispute between the employers in relation to the management of Dobari Colliery of Messrs Bharat Coking Coal Limited, Post Office Jharia, District Dhanbad and their workmen, which was received by the Central Government on the 28th May, 1982

## BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (No. 2) DHANBAD

## Reference No. 62/81.

In the matter of an industrial dispute under S. 10(1)(d) of the I. D. Act, 1947

## PARTIES :

Employers in relation to the management of Dobari colliery of Messrs Bharat Coking Coal Limited, Post office Jharia, District Dhanbad and their workmen.

## APPEARANCES :

On behalf of the employers : Shri G. Prasad, Advocate.

On behalf of the workmen : Shri Bhagwan Paswan, General Secretary, Koyala Mazdoor Congress, Dhanbad.

STATE : Bihar.

INDUSTRY : Coal.

Dhanbad, 24th May, 1982

## AWARD

This is a reference under S. 10 of the I. D. Act, 1947. The Central Government by its order No. L-20012/(153)/81-D.III (A) dated 24th September, 1981 has referred this dispute to this Tribunal for adjudication on the following terms :

## SCHEDULE

"Whether the action of the management of Dobari colliery of Area No. IX of Messrs Bharat Coking Coal Limited, Post office Jharia, District Dhanbad in stopping Shri Bhorik Singh from work with effect from the 10th February, 1973 is justified ? If not, to what relief is the concerned workman entitled ?"

2. The case of Shri Bhorik Singh the concerned workman is that he was working in North and West Ghanudih colliery as a bailing mazdoor for 11 months before nationalisation and that he was stopped from with effect from 10-2-82 without assigning any reason. On account of this stoppage he filed several representations addressed to the manager of the colliery and Sub-Area Manager requesting them to reinstate him. According to the concerned workman this stoppage of work was illegal, arbitrary and unjustified.

3. This industrial dispute was raised by the General Secretary, Koyala Mazdoor Congress. The contention of the management is that this dispute was raised after the rejection of the earlier dispute. In fact on this ground it has been contended on behalf of the management that the reference is not maintainable.

4. The management in the written statement has taken the plea that Koyala Mazdoor Congress has no locus-standi to raise and spouse the dispute on behalf of the workman. Furthermore it has been said that this dispute was raised after about 8 years and as such the reference is bad in law.

5. On point of fact the case of the management is that the concerned workman, Shri Bhorik Singh was never in the employment of the colliery either prior to the take over of the colliery or at any time after nationalisation of the coal mines. At the conciliation stage the concerned workman produced the photostat copy of the Cap Lamp Issue Register of North & West Ghanudih colliery for 4 weeks starting from 30-12-72, 6-1-73, 13-1-73, and 2-2-73. This register is alleged to be not genuine and the entries have been denied. In the written statement of the management it has been specifically asserted that the workman should be put to the strict proof of

the cap lamp issue register. The management have positively asserted that at the time of take over the Custodian prepared a list of workers including bailing mazdoor working in the mine and in that list the name of the concerned workman does not appear. Similarly the relevant colliery registers were also seized by the custodian, such as Form B registers, Form C attendance registers, wage-sheets, etc., but in none of these registers the name of the concerned workman appears anywhere. Furthermore, it was not disclosed by the concerned workman as to whether he was permanent, probationer, badli, substitute, temporary, apprentice or casual. In this connection the management has said that even if the concerned workman worked for 4 weeks as a bailing mazdoor he could not be said to be permanent as he had not completed 240 days' attendance to claim any benefit from the employer. In the end it has been said that there has been no employer-employee relationship between the concerned workman and the management of North & West Ghanuadhi colliery (now Dobari colliery). The workman cannot get any relief.

6. Before taking up the question as to whether this reference is maintainable or not maintainable, we should find out as a fact as to whether the concerned workman, Shri Bhorik Singh happened to be a bailing mazdoor at the time of take over. It is an admitted position that North & West Ghanuadhi colliery which later came to be known as Dobari colliery happened to be a non-coking coal mine. The management of this mine was taken over by the Government on 31-1-73 under the Non-Coking Coal Mines (Emergency Provision) Act, 1972. It is further admitted that this colliery was nationalised w.e.f. 1-5-73 under the Non-Coking Coal Mines (Nationalisation) Act, 1973. The management has filed a number of documents. The workman has examined Shri S. P. Mishra, WW-1 who was the welfare officer of Dobari colliery from March, 1971 to April, 1974. He has in his cross-examination proved the documents produced by the management. Ext. M1 is bonus register from January to March, 1973. For the same period there are three other bonus registers which are Exts. M2, M3 and M4. Exts. M5 to M13 are 9 attendance registers of the colliery. Now in all these documents the name of the concerned workman does not appear.

7. The management has examined MW-1 Shri N. G. Mukherjee who was a clerk of the colliery during the private owners time then called as North & West Ghanuadhi colliery. He has said that after nationalisation this colliery came to be known as Dobari colliery. His evidence is that form B register was being maintained even during the time of the private owner and that the name of Shri Bhorik Singh was never mentioned in the form B register. His further evidence is that after the take over a Man Power list was prepared by the Custodian which he had occasion to see. But in that Man Power list there is no mention of Shri Bhorik Singh's name.

8. The management also examined Shri Ali Ahmed Zafri, MW-2. He was a Personnel Officer in South Kujama colliery at the time of take over of the colliery by the Government. In 1973 he was in the Jharia Gholakhali Sub-area office. He had gone to take over charge of North & West Ghanuadhi colliery by the order of the Custodian. He was not posted in the colliery from before the Man Power list. Ext. M15 was prepared. This list also does not show the name of the concerned workman.

9. From the oral and documentary evidence of the management an attempt has been made to show that Shri Bhorik Singh was never an employee of the colliery. In the documents produced by the management the name of Shri Bhorik Singh as a workman of the colliery does not appear anywhere. MW-1 Shri N. G. Mukherjee, head clerk of the colliery has said that he was working in the head office of the private owner of the colliery Shri Ramlal Agarwalla at Jharia. The Dobari colliery where the concerned workman is alleged to have been working is at a distance of about 2 kms from Jharia as deposed by him. The witness has further said that since he was not working in the colliery itself it was not possible for him to recognise either by name or by face the majority of the workmen of the colliery. So this witness is not in a position to say to his own knowledge whether the concerned workman works in the colliery during the time of the private owner. His evidence is based upon the entries in form B register which has not been produced in this case. He has further based his knowledge on the Man Power list prepared by the Custodian. MW-2 Shri Ali Ahmed Zafri has nothing to do with this colliery before the take over. He had been deputed by the Custodian to take over charge of the colliery

from the private owner. The then manager of the colliery had produced before him the register and other papers of the colliery. The witness has said that the Man Power list was prepared under his supervision on the basis of the records and from verification made by him from the colliery manager and the staff. He has specifically mentioned that in preparing the Man Power list he had taken into consideration the 'tel khata'. He has said that several tel khatas had been produced by the management in this case. He was unable to say that there was some other tel khatas in which the name of the concerned workman, Shri Bhorik Singh was mentioned as a workman. He has admitted that for the purposes of take over he and other staff of the Custodian had visited Ghanuadhi colliery for 1-1/2 months. With regard to the cap lamp issue register the witness has answered that he did not remember whether he had checked any such register at the time of verification.

10. In connection of the evidence of MW-2 the argument on behalf of the concerned workman is that this witness MW-2 is not competent to depose as to whether Shri Bhorik Singh was a workman in the colliery at the time of take over. It is a fact that he prepared the list of the workers on the basis of the documents produced before him by the manager and other staff of the private owner. The contention raised is that the colliery manager who had been coming from the time of the private owner and from whom the documents were seized would have been the most competent person to depose whether the concerned workman was a bailing mazdoor in the colliery. But neither the colliery manager nor the other staff of the colliery were produced by the management on this point. According to the workman he produced from his own custody a cap lamp issue register, Ext. W.1 showing that he was a bailing mazdoor from week ending 23-12-72 to week ending 2-2-73. The manager of the colliery could have been confronted with this register, Ext. W.1 and that could have shown the exact position as to whether Shri Bhorik Singh was a workman or not.

11. The workman has tried to prove from the evidence of his witnesses that he was a workman. Shri S. P. Mishra, WW-1 was the welfare officer since March, 1971 to April, 1974 in Dobari colliery. His evidence is that he knew Shri Bhorik Singh who is the concerned workman. He was underground worker in Dobari colliery as bailing mazdoor. He has proved the cap lamp issue register, Ext. W.1. He has further said that this cap lamp issue register has been duly signed by the Assistant colliery manager and the cap lamp issue clerk. He has further said that Shri S. M. Nandi the Assistant Colliery Manager had signed on the register and Sri Surajdeo Yadav, cap lamp issue clerk had also signed this register. WW-1 Shri S. P. Mishra is still in the employment of BCCL. His evidence is positive that the concerned workman was a bailing mazdoor in the colliery. It is an admitted position that this witness was the welfare officer during the time of the private owner and continued to be in that colliery till April, 1974. There is no doubt about his competency to depose on the point as to whether Shri Bhorik Singh was a bailing mazdoor in the colliery. In his cross-examination he proved all the documents of the management except Ext. M-15 which was proved by MW-2. Among the documents he proved 9 attendance registers which are Exts. M5 to M13. But he also deposed that there was at least 7 more attendance registers of the same colliery in which the concerned workman was shown to be a bailing mazdoor. But the same has not been produced by the management. He has further said that before the Custodian a total of 16 attendance registers were produced including the 9 registers Exts. M5 to M13. His evidence further is that the Sub-area had prepared the Man Power list after nationalisation and that it did not contain the name of Shri Bhorik Singh and therefore he was not employed w. e. f. 10-2-73. He has further said in cross-examination that the Assistant Colliery Manager Shri S. M. Nandi had signed only one page of Ext. W.1 and no date was given below his signature. His evidence further is that Ext. W.1 is a statutory register and therefore maintained on form. With regard to the attendance registers Exts. M5 to M13 he has said that those are not in form. His evidence is positive that Shri Bhorik Singh worked for 6/7 months before he was stopped from work on 10-2-73.

12. The management's witnesses were examined after the evidence of WW-1. WW-1 had asserted that Ext. W.1 contained the signature of the Asstt. colliery manager, Shri S. M. Nandi. The management should have examined Shri S. M.

Nandi to either confirm or deny his signature on Ext. W.1. This evidence of WW.1 that Shri S. M. Nandi, the Asstt. colliery manager had signed Ext. W.1 remains uncontroversited. The workman also examined Shri Surajdeo Yadav, WW-2 who was the cap lamp issue clerk from 1972 to 1973. He has identified in the court Shri Bhorik Singh the concerned workman and has stated that he was working in Dobari colliery, serving as bailing cooli during his time as cap lamp issue clerk. He has further said that Shri Bhorik Singh worked as bailing mazdoor in Dobari colliery for 2/3 months. He did not see him working thereafter because he was transferred to another section as electrician. His evidence is that in the cap lamp issue register, Ext. W.1, Sl No. 21 is in respect of Shri Bhorik Singh in his cross-examination he has said that the register, Ext. W.1 is in respect of 3rd shift 'O' seam. He has further said that the register, Ext. W.1 bears his signature in only one page. He denied the suggestion that the ink of his signature is different from the ink with which the entries were made. From the trend of cross-examination it will appear that it was not denied by the management that the entries were made by this witness in Ext. W.1. The only contention seems to be that he put his signature with a different ink. The main purpose to find out is as to whether this witness made the entries and it has been adequately proved by WW.2. It will therefore appear that the concerned workman has proved from the cap lamp register, Ext. W.1 and also from the evidence of the welfare officer (WW.1) and the cap lamp issue clerk (WW.2) that he worked in 'O' seam of the colliery as bailing mazdoor. It has been contended on behalf of the workman that none of the documents produced on behalf of the management are concerning the 'O' seal of the colliery. WW.1 has said that 7 attendance registers of the colliery have not been produced which could have shown the attendance of the concerned workman. It is difficult to say that Shri S. P. Mishra (WW.1) an officer of the BCCL would have come to depose against the management if the case of the concerned workman was not correct. Furthermore, WW.2 is still continuing in the service of the management and he also ventured to come as a witness of the workman to support his case. From all these facts I have no doubt in my mind that till the week ending 10-2-73 Shri Bhorik Singh worked as a bailing mazdoor in the colliery. The take over took place on 31-1-73. It means that even after a few days of the take over the concerned workman has proved that he was continuing as a bailing mazdoor. His positive case is that from 10-2-73 he was stopped from work.

13. In support of his case the concerned workman has proved Ext. W.2 which is a representation dated 17-4-73 addressed to the manager, North & West Jharia colliery with copies to the Custodian and others. Next document is Ext. W.3 dated 8-9-80 signed by Lala B. P. Sinha, Member, Central Executive Committee, Rashtra Colliery Mazdoor Sangh, Dhanbad addressed to the General Manager, Bastacolla Area No. IX. In the letter the case of the concerned workman was taken up. Furthermore, Lala B. P. Sinha addressed a letter to the Asstt. Labour Commissioner (C) Dhanbad requesting him to take up the matter for consideration.

14. It will appear from the documentary evidence produced on behalf of the concerned workman that even before nationalisation on 1-5-73 a petition was filed before the manager with copy to the Custodian to constitute him. It was sent by registered post. The management has produced no counter evidence. The concerned workman has said that he also represented after nationalisation. But before me there is no documentary evidence to prove the same except that in the year 1980 the case of the concerned workman was taken up by Lala B. P. Sinha of Rashtra Colliery Mazdoor Sangh. On behalf of the management it has been contended that after nationalisation the management of the colliery vested with the BCCL and prior to that the Custodian was managing on behalf of the private owner. What is intended to be conveyed is that after nationalisation the concerned workman did not approach the management of BCCL for his employment. In this connection it is note-worthy that this aspect of the case has impact on the question as to whether the BCCL is liable for compensation to the workman in case the stoppage of work was found to be illegal. What I mean to say is that the question as to whether the concerned workman was an employee of the colliery at the time of take over is not dependent on the question as to whether any representation was filed before the BCCL.

15. I have discussed the evidence at length to find out as to whether the concerned workman Shri Bhorik Singh was

at all a workman of the colliery at the time of take over. After full discussions of the various aspects involved in this case I have already come to the conclusion that he was a workman of the colliery. WW.1 in his cross-examination has said that prior to take over the concerned workman was a bailing mazdoor for 6/7 months and that he was not a permanent employee. The question as to whether he was permanent, temporary or casual is not very material. The take over took place by virtue of a legislation by the Government of India and it was provided that the interest of the workman already working in the colliery should be protected. The said provision was also made in the Nationalisation Act. Shri Bhorik Singh the concerned workman has been proved to be a workman of the colliery from the documentary as well as oral evidence. His interest therefore should have been protected by the Custodian. But instead of protecting his interest he was stopped from work from 10-2-1973, i.e. only 10 days after the take over. It is clear that if the Custodian had mentioned his name in the Man Power list, he would have continued to work as bailing mazdoor even after nationalisation. But this right to serve was denied to him for no specific reason except that he was not a workman at all. This position taken by the management has been belied by the evidence produced on behalf of the workmen. I am therefore to hold that Shri Bhorik Singh was illegally stopped from work on 10-2-73

16. With regard to the question as to whether this reference is maintainable or not, no stress has been laid on behalf of the management. This reference was made by the Government of India to this court. There is nothing indicate that the Government of India refused at the first instance to refer this case for adjudication. Even if this be the position, the Government of India has the necessary authority to reconsider the case of dispute for the purpose of adjudication. On this point the management therefore cannot succeed.

16. It has next been contended on behalf of the management that Koyala Mazdoor Congress had no adequate backing in the colliery to raise any industrial dispute. Admittedly it is a registered union functioning in the area of the colliery. The workman has said in his evidence that in Dobari colliery it has a strength of about 125 persons. Now, even if this be so, the number should be taken to be sufficient. Moreover, the competence of a union to raise a dispute need not necessary to depend upon the strength of members in a particular colliery to which the dispute relates, but the general strength of the union in adjoining colliery. In this connection also I may say that the management has given no evidence whatsoever, but has picked up some statements of the workmen about the strength of the union. I therefore hold that there is no substance in the contention of the management that Koyala Mazdoor Congress is not competent to raise this dispute.

17. It has been urged before me on behalf of the concerned workman that he should be paid his wages and other emoluments from 10-2-73. I do not agree because the Bharat Coking Coal Limited which is the only party in this case had no information about this unjustified stoppage of work by the Custodian. On behalf of the workman Rashtra Colliery Mazdoor Sangh union filed a petition in the year 1980 and thereafter this dispute was raised. Moreover, at the time of conciliation a photostate copy of the Cap Lamp Register, Ext. W.1 was produced on behalf of the workman. There is nothing to show that before the management of BCCL any document was produced on behalf of the concerned workman to show that he was at all a workman of the colliery at the time of take over. But I do not agree that at the time of conciliation the management of the BCCL knew about the documentary evidence in possession of the concerned workman.

18. It is therefore in fitness of things that the following award should be passed :

(1) the action of the management of Dobari colliery of Area No. IX of Messis Bharat Colliery Coal Limited, Post office Jharia, District Dhanbad in stopping Shri Bhorik Singh from work with effect from 10th February, 1973 is not justified. The concerned workman should be reinstated in the job of bailing mazdoor from 10-2-73.

(2) he should be paid wages and other emoluments of a bailing mazdoor w. e. f. 24-9-81 which is the date of this reference.

(3) the concerned workman Shri Bhorik Singh should present himself for the job of bailing mazdoor before the management of the colliery within one month of the publication of this award.

This is my award.

### ORDER

New Delhi, the 23rd April, 1982

S.O. 2190.—Whereas the Central Government is of opinion that an industrial dispute exists between the employers in relation to the management of Missis Singareni Collieries Company Limited, Ramagundam Division-I and their workmen in respect of the matter specified in the Schedule hereto annexed;

And whereas the Central Government considers it desirable to refer the said dispute for adjudication;

Now, therefore, in exercise of the powers conferred by section 7A and clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government by this constitutes an Industrial Tribunal of which Shri B. Prasada Rao shall be the Presiding Officer, with headquarters at Hyderabad and refers the said dispute for adjudication to the said Tribunal.

### SCHEDULE

"Whether the management of Missis Singareni Collieries Co. Limited, Ramagundam Area Division II is justified in not paying full wages in accordance with National Coal Wage Agreement-II to Shri Ushikamalla Lachulu, Coal Filler, GDK.2A Incline for the period he was under medical treatment due to his fall on 19-6-81 during the course of employment? If not, to what relief is the workman entitled?"

[No. L-21012(2)/82-D.IV (B)]

New Delhi, the 28th May, 1982

S.O. 2191.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal No. 3, Dhanbad, in the industrial dispute between the employers in relation to the management of Sripur Sub-Area of Eastern Coalfields Limited, Post Office Kalipahari, District Burdwan and their workmen, which was received by the Central Government on the 21-5-1982.

### BEFORE THE CENTRAL GOVT. INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, NO. 3, DHANBAD Reference No. 20/80

#### PARTIES :

Employers in relation to the management of Sripur Sub-Area of Eastern Coalfields Ltd., P.O. Kalipahari, District Burdwan.

AND

Their workman.

#### APPEARANCES :

For the Employers—Shri D. Gangopadhyaya, Sr. Personnel Officer.

For the Workman—Shri S. Chakravorty.

INDUSTRY : Coal.

STATE : West Bengal.

Dated, the 17th May, 1982

### AWARD

The Govt. of India in the Ministry of Labour in exercise of the powers conferred on them u/s 10(1)(d) of the Industrial Disputes Act, 14 of 1947 has referred the dispute to this Tribunal for adjudication under Order No. L-19012 (21)/79D.IV(B) dated the 10th April, 1980.

### SCHEDULE

"(1) Whether the management of Sripur Sub-Area of Eastern Coalfields, Ltd., P.O. Kalipahari, Distt. Burdwan was justified in not reckoning the allowance of Rs 150 p.m. while placing Shri Madan Mohan Das in Grade II (Clerical) with effect from 1-5-73? If not, to what relief is the concerned workman entitled?

(2) Whether the claim of the workman to be placed in special grade is justified? If so, from what date."

2. The case of the workman is that prior to take over the erstwhile management used to pay him a monthly allowance of Rs. 150 besides his monthly basic salary of Rs. 300 per month and these two payments were being made to him through two separate vouchers. It is submitted that as per practice of the erstwhile management Samdi-Sangramgarh Colliery monthly payments were made to the workmen through vouchers so long they were not made permanent, but no V.D.A. etc. was paid to them. The separate allowances were also paid through vouchers. It is further stated that as the concerned workman did not complete his probationary period of three months before 31-12-72 his name was not included in the wage sheet of the permanent workmen in 1972. It is also stated that besides the concerned workman 4 other employees of erstwhile management of the said colliery used to get monthly allowances besides their basic pay.

3. It is then alleged that after take over from the month of January, 1973 the payment of monthly allowance of Rs. 150 to the concerned workman and also to others were stopped by the management of Coal Mines Authority and thereafter verification the concerned workman was paid a monthly allowance of Rs. 150 from January to April, 1973 in the month of September, 1973 but from 1-5-1973 the said payment was stopped without any notice u/s 9A of the Industrial Disputes Act.

4. It is next alleged that besides the above payment the concerned workman is also entitled to be placed in the special grade of the Wage Board recommendation as per terms of appointment of the concerned workman from 1-10-1972. He was given the job of Senior Clerk with trust and confidence and used to look after the job of other clerks and even after nationalisation he worked in the same capacity and that his basic pay had been fixed at Rs. 300 per month in the special grade by the erstwhile management though it was wrong to some extent as his basic pay should have been fixed in the scale of Rs. 305—505. According to the workman he used to get basic salary of Rs. 300 p.m. which was not consolidated as he used to get bonus etc. It is however stated that after nationalisation the pay of the concerned workman was reduced to Rs. 240 p.m. in clerical grade II arbitrarily which is illegal and unjustified. His demand is that he is entitled to be placed in the special grade at the initial basic pay of Rs. 305 with effect from 1-1-1973 besides Rs. 150 as special allowance. Another demand is that his rank should not have been lowered to special grade clerk and the said order of the management is illegal and void.

5. The management has challenged the claim of the concerned workman. It is firstly stated that the sponsoring union is not competent to raise the present dispute as the said union has got no existence in this colliery and that the concerned workman is not a member of the said union. ..

6. On merits the case of the management is that the concerned colliery was a small mine located in the interior and its economical condition was such that it could not even fully implement the Wage Board recommendation and so it is impossible to suggest that the management used to pay about half of the basic pay as allowance to the concerned workman. According to the management the concerned workman Shri Das was an employee of a contractor who was running Quarry No. 4A, 4B and 4C of this colliery and he was never appointed by the colliery management and that he was getting Rs. 300 p.m. as consolidated wage on vouchers. In July, 1973 the quarries were taken in direct management by the Coal Mines Authority Ltd., and the services of the concerned workman were regularised as Bill Clerk with effect from 1-7-1973 and his basic pay was fixed at Rs. 240 p.m. It is submitted that the concerned workman in collusion with the then Manager succeeded in the manufacturing of number of documents even though the Manager had ordered payment of consolidated wage at Rs. 300 p.m. only. The workman made out a different case and manufactured documents to that effect. It is however stated that after take over on the recommendation of the management some of the workers were allowed to draw special allowance for a period of 4 months but when it was found that the said workman had no such case the said payment was stopped. It is however stated that the concerned workman has been promoted to Clerical Grade I in May/June, 1978 but in view of the pendency of the dispute his upgradation has been kept in abeyance of the dispute that there is no merit in the demand of the workman that the so-called allowance of Rs. 150 should be reckoned with placing Sri Das in proper grade. It is further submitted that the workman was in receipt of a consolidated salary of Rs. 300 p.m. which he automatically got even though his basic salary was fixed at Rs. 240 after nationalisation.

7. On the above grounds it is prayed that the Reference be decided in favour of the management.

8. The points for consideration are as follows .

- Whether the management was justified in not reckoning the allowance of Rs. 150 p.m. while placing the concerned workman in Clerical Grade II with effect from 1-5-73.
- Whether the claim of the workman to be placed in special grade is justified.
- To what relief or reliefs the concerned workman is entitled.

9. I shall first take up the preliminary issue as to whether the sponsoring union was competent to raise the present dispute or not. Ext. W-1 is the registration certificate showing that the sponsoring union viz., Coal Mines Employees Union is

a Registered Union. Ext. W-3 is a letter dated 10-1-1977 signed by 43 workmen of Gopur Area to the President of this union authorising him to take up the dispute of Sri Das. Ext. W-10 to Ext. W-12 are the subscription receipts showing payment or subscription to this union by Sri Das. Ext. W-13 is the membership register showing that the concerned workman is a member of this union. Besides this the concerned workman has examined himself and has stated that he is a member of this union. W.W. 2 Sri J. Chakravorty who is President of this union has stated that there was resolution (Ext. W-25) authorising the union to take up the case of the concerned workman. All these documents thus indicated that the concerned union was duly authorised to take up the present dispute and this union has sufficient number of members in this colliery and was thus competent to raise the present dispute. The Reference, therefore, is not incompetent on this score.

10. Ext. W-4 is a letter dated 7-11-77 written by the Joint Secretary of the Union to the Sub-Area Manager raising dispute of the concerned workman. Ext. W-5 is another letter of the Joint Secretary to the A.L.C. raising the dispute. Ext. W-6 dated 22-12-77 is a notice by the A.L.C. and Ext. W-7 dated 3-3-1978 is another letter to the A.L.C. regarding the dispute Ext. W-8 is another notice issued by the A.L.C. and finally Ext. W-9 is the failure report.

11. The next question to be considered is as to whether the action of the management in not reckoning the allowance of Rs. 150 p.m. while placing Shri Das in Clerical Grade II after nationalisation and not placing him in special grade is justified. According to the management no special pay of Rs. 150 p.m. was paid to the concerned workman but this payment was made even by the present management for a period of 4 months on the recommendation of the then Manager who was in collusion with the concerned workman. But subsequently it was stopped. The fact however remains that a special allowance of Rs. 150 p.m. was paid to the concerned workman even by the present management for a period of 4 months and this position cannot be challenged. According to the terms of the reference this Tribunal is only to see whether the action of the management in not reckoning the said allowance while giving proper grade to the concerned workman is justified or not. The Tribunal cannot decide in this present reference as to whether this allowance of R. 150 was being paid by the erstwhile management or not. Ext. W-15 is the appointment letter dated 20-6-1972 by the then management showing that the workman was to receive the basic salary of Rs. 300 besides an allowance of R. 150 p.m. This allowance included V.D.A. and to defray the expenditure due to non-allotment of suitable accommodation and 10 per cent bonus under the Bonus Act. The genuineness of this letter has been challenged but the fact remains that the special allowance of Rs. 150 was paid to the concerned workman even by the present management. Ext. W-16 is a letter extending the period of probation of the concerned workman. Ext. W-17 is the Office Order which shows the duties which were assigned to Shri Das. There is another letter however dated 29-9-73 (Ext. W-18) written by then Manager to the Sub-Area Manager which shows that Shri Das was all along paid Rs. 300 basic pay besides D.A. etc. This letter does not show that he was getting any extra allowance of Rs. 150 p.m. But this is not very material for the purpose of this case. Ext. W-19 is a recommendation by the then Manager for payment of special allowance to the concerned workman and other staff. The name of the concerned workman however is not mentioned in this letter. Ext. W-21 is another such letter. All these documents no doubt indicate that the concerned workman was paid an allowance of Rs. 150 besides his basic pay. The above documents however become somewhat suspicious when we refer Ext. M-1 which is a voucher in the name of concerned workman dated 7-2-73. In this voucher the consolidated salary of the concerned workman has been shown at Rs. 300 only. The concerned workman has stated that he received this amount on protest. On the back of it the concerned workman has put his signature and date which is 14-2-73 and above it the words 'on protest' has been written. But from a very look of this endorsement it will appear the words 'on protest' has been written subsequently in a different ink.

12. From all the above documents it is clear that though a sum of Rs. 150 was paid by the present management for a period of 4 months only to the concerned workman, but

this was only due to the existence of suspicious documents in favour of the concerned workman. The genuineness of the documents in favour of the concerned workman is falsified from the document Ext. M-1 which clearly indicated that the consolidated salary of the concerned workman was Rs. 300 only p.m. No document has been filed on behalf of the concerned workman to show that he ever got Rs. 150 as special allowance by the erstwhile management prior to take over. It is a matter of common experience that at the time of take over several manipulations were made in private collieries and several documents were brought into existence to suit the purpose of some selected employees who were in the good book of the then management and in that process several imposters were shown as employees of private collieries. The Government after take over had to concede to the recommendations of the then management in some cases and it appears that on the recommendation of the then management payment of Rs. 150 p.m. for a period of 4 months was made to the concerned workman also but when it was found that there was no basis for that it was rightly stopped by the management and in such circumstances, in my opinion, the management was fully justified in not reckoning the said allowance while giving Clerical Grade II to the concerned workman.

13. Even from the appointment letter it will appear that the concerned workman was to get a salary of Rs. 300 p.m. which included everything. The present management fixed his basic salary at Rs. 240 besides other legal payments and the total of which came to Rs. 300 p.m. and so it cannot be said the pay of the concerned workman was reduced in any way. Further though in the appointment letter it is stated that the concerned workman was appointed as Senior Clerk but his pay was not fixed in the scale of Rs. 305 p.m. which is payable to a Clerk of Special grade. It is no doubt true that certain extra works were taken from the concerned workman as will appear from some of the documents filed by him such as Exts. W-4, W-20 and W-22 but that alone would not entitle the concerned workman to be put in special grade. He was in fact appointed in the last quarter of 1972 and he cannot claim special grade in less than a year from 1-5-73. Ext. M-2 is the establishment register of the concerned colliery for the year 1972 and Ext. M-3 is the office order showing that Shri Das was regularised as Grade I Clerk from Grade II in the year 1978. MW-1 is the Senior Personnel Officer who has stated that Shri Das was getting only Rs. 300 p.m. as consolidated pay and after take over he was placed in Clerical Grade II on a salary of Rs. 240 p.m. plus V.D.A., etc. which came to Rs. 300 as consolidated pay. He has further stated that in the establishment register of the erstwhile management Ext. M-2 the name of the concerned workman does not appear.

14. Evidently the concerned workman had been appointed by the erstwhile management only a few months prior to the take over and within a period of few months only it was not reasonable and justifiable for the management to give special grade to the concerned workman. He was rightly regularised in Grade II after take over and in the year 1978 he has been given the special grade.

15. Thus on a consideration of the above facts and circumstances, I hold that the management was justified in not reckoning the allowance of Rs. 150 while placing Shri Das in Grade II and the claim of the workman to be placed in special grade is not justified. He has in fact been put in his special grade in 1978 and this action of the management is fully justified.

16. The concerned workman, in the circumstances is not entitled to any relief.

17. I give my award accordingly.

J. N. SINGH, Presiding Officer

[No L 19012(21)/79-D.IV(B)]

S. S. MEHTA, Desk Officer

New Delhi, the 1st June, 1982

**S.O. 2192.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby published the following award of the Central Government Industrial Tribunal, Jabalpur, in the industrial dispute between the employees in relation to the management of Western Coalfields Limited, Pench Area, and their workmen which was received by the Central Government on the 28-5-82.

BEFORE JUSTICE SHRI S. R. VYAS (REGD.) PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M. P.)  
Case No. CGIT/LC(R) (31)/1979.

#### PARTIES :

Employers in relation to the management of Western Coalfields Limited, Pench Area in relation to the Newton Chickly Colliery and their workmen S/Shri Gurudayal, Ghanaram, Harisingh, Rewaram, Hari, Laxman and Raghu, Boring Mazdoors represented through the Bhartiya Koyal Khadan Mazdoor Sangh (BMS) Main Road, Chandametta, P. O. Chandametta, District Chhindwara (M.P.).

#### APPEARANCES :

For Union—Shri S. S. Shakarwar, Advocate.  
For the Management—Shri P. S. Nair, Advocate.

INDUSTRY : Coal DISTRICT : Chhindwara (M.P.)

Dated : May 22, 1982.

#### AWARD

This is a reference made by the Government of India in the Ministry of Labour vide Notification No. L-22012/17/78-D.IV (A) Dated 7th November, 1979 for the adjudication of the following dispute by this Tribunal :—

"Whether the action of the General Manager, Western Coalfields Limited, Pench Area, Parasia in relation to their Newton Chickly Colliery in terminating the services of Sarvashri Gurudayal, Ghanaram, Harisingh, Rewaram, Hari, Laxman and Raghu, Boring Mazdoors, from the 1st April, 1975 is justified? If not, to what relief are the concerned workmen entitled?"

2. The dispute between the parties was with regard to the termination of the services of S/Shri Gurudayal, Ghanaram, Harisingh, Rewaram, Hari, Laxman and Raghu who were employed as Boring Mazdoors in the Newton Chickly Colliery of the Western Coalfields Limited, Pench Area, Parasia, District Chhindwara.

3. According to the workmen they were employed as Boring Mazdoors at different places by the management and they worked at Damua, Datla, Chicklimau, Ambara etc. upto 20-8-1975, but suddenly by an order passed on 31-3-1975 their services were terminated by an order passed on 31-3-1975. This termination, according to the workmen, was totally unjustified.

4. As against this claim made by the workmen, the management has contended that the aforesaid workmen were only casual employees and had not completed the service of 240 days within the period of 12 calendar months from the date of the termination of their services. Further according to the management the need for employment of Boring Mazdoors is a fluctuating need and employment is given as and when there is a need for the employment of such mazdoors. It was; according to the management, on the basis of actual need and administrative convenience that these workmen were employed. In their respective rejoinders both the parties denied the allegations made by the other party and contended that whatever statements have been made by them in their statements of claims indicated the correct position.

5. The adjudication proceeding were practically complete and the arguments were also partly heard on 10-5-1982 and the case was reserved for further arguments on 4-6-1982.

6. Before the arguments could be further heard on 4-6-1982 Shri P. S. Nair, Advocate, for the management filed an application along with a settlement between the parties, according which the parties have mutually settled the dispute on the following terms :—

1. Management agrees to reinstate Sarvashri Gurudayal, Ghanaram, Hari Singh, Rewaram, Hari, Laxman and Raghu as Cat. I Mazdoors of NCWA-II in any of the mines of Pench Area.
2. The above named persons would be taken back on duty subject to their being found medically fit by the Area Medical Board/Chief Medical Officer, Barkui Hospital and after publication of the award.
3. The intervening period i.e. from the date of their termination to their joining duty will be treated as 'Dies-non' i.e. no work no pay. However, for maintaining good industrial relations the management agrees to give them continuity of service for the purpose of Gratuity only.
4. The Union agrees to give up all the claims for back wages and all other claims except above terms as full and final settlement and shall not raise any other dispute in respect of the matter in dispute.
5. This settlement shall not be treated as a precedent in any other case.
6. The parties agree to file the compromise settlement before the Presiding Officer, G.G.I.T., Jabalpur and request for an award in terms of the settlement.
7. According to the aforesaid terms, the workmen are to be reinstated and the intervening period i.e. the period from the date of the impugned termination of service upto the date of reinstatement has to be treated as "no work no pay". The management, however, has agreed to give them continuity of service for the purposes of Gratuity only. Shri Nair, Advocate, for the management admits that the settlement has been duly signed by the representative of the workmen i. e. the President of the B. K. K. M. Sangh and the representative of the management. As the settlement appears to be just and fair and appears to have been arrived at not only for reinstatement of the workmen but for maintaining industrial peace and harmony, I find no reason as to why it should not be accepted. Accordingly as requested by both the parties the following award on the basis of the agreed settlement between the parties is given :—

1. that the management shall reinstate S/Shri Gurudayal, Ghanaram, Hari Singh, Rewaram, Hari, Laxman and Raghu as Cat. I Mazdoors of NCWA-II in any of the mines in the Pench Area;
2. that the reinstatement will be subject to their being found medically fit by the Area Medical Officer/ Chief Medical Officer, Barkui Hospital after the publication of the award;
3. that the period between the date of the termination of their service and the date of reinstatement shall be treated as "no work no pay";
4. that the management shall treat the workmen in continuous service only for the purposes of Gratuity only.
5. that the workmen agree that all claims for the back wages and other claims except the claim for continuity of service for the purposes of gratuity shall be given up.

In view of the fact both the parties have mutually settled the dispute there will be no order as to costs.

S.O. 2197.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal No. 2, Bombay, in the industrial dispute between the employers in relation to the management of Messrs Vaz Forwarding Private Limited, Bombay and their workmen, which was received by the Central Government on the 18th May, 1982.

#### BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 2, AT BOMBAY

Reference No. CGIT-2/12 of 1980

#### PARTIES :

Employers in relation to the management of Messrs Vaz Forwarding Private Limited, Bombay.

AND

Their Workmen.

#### APPEARANCES :

For the Employers.—Shri H. M. Vakil, Advocate.

For the Workmen.—Shri M. E. Lobo, Advocate.

INDUSTRY : Ports and Docks STATE : Maharashtra.

Bombay, the 24th April, 1982

#### AWARD

(Dictated in the Open Court)

In exercise of the powers conferred under Section 10(1)(d) of the Industrial Disputes Act, 1947, the following points have been referred to for adjudication viz.,

"Whether the action of the management of Messrs Vaz Forwarding Private Limited, Clearing and Forwarding Agents, Bombay in discharging from service Shri L. B. Thorat, Clerk, with effect from the 6th August, 1979 is in order? If not, to what relief is the concerned workman entitled?"

The incident in question which is alleged to have given rise to the charge, the enquiry and the order of removal from service, is stated to have occurred on 16-2-1979, when the delinquent workman viz. Shri Thorat who was in service of M/s. Vaz Forwarding Private Limited as a Dock Clerk according to the charge, removed the keys of the car of an Officer serving with the same company, by name Shri M. Lobo, thus causing annoyance and waste of time. On the very day i.e. 16-2-1979 Shri M. Lobo reported the matter to the Managing Director of the Company, whereupon a Memo was issued to the Dock Clerk. However, when till 16-3-1979 no action was taken against the workman, he addressed a letter to the company requesting to proceed in the matter to enable him to establish the falsity of the charges or the version, with the result that on 21-4-1979 a chargesheet was served on him incorporating in all three charges out of which first three charges were as follows :

- (1) Shri Thorat removed the car keys of Shri M. Lobo, Dock Supervisor, without his knowledge and permission at about 10 a.m. on 16-2-1979 and he did not return them inspite of requests and pleadings. Thus he put Shri M. Lobo to harassment, inconvenience and was responsible for wasting his valuable office time;
- (2) Shri Thorat was in the habit of abusing and using bad words to the Officers/Staff members in the office during office hours;

(3) Shri Thorat behaves rudely, disorderly and indecently with his superiors and other staff members. He has not cared to improve his behaviour in spite of requests and warnings.

There is also a fourth charge but since the same has not been said to have been established, no reference to the same is called for.

An enquiry was held by Shri T. A. Ghosal who was appointed as an Enquiry Officer before whom Shri Kotian represented the company while the defence was represented by Shri Shaikh the Union representative. The workman also participated in the cross-examination of the management's witnesses.

In order to establish the charges besides the evidence of Shri M. Lobo three witnesses were cited i.e. Shri Gomes, Shri S. Lobo and Shri Sadavarte, against which the defence relied upon the statement of Shri Thorat the workman in question and also adduced the evidence of Shri Ghodgekar and Shri Ghorpade the colleagues of the workman serving in the same office.

Shri S. Lobo, Shri Gomes and Shri Sadavarte said about the removal of the keys from the custody of Shri M. Lobo on 16-2-1979, while Shri S. Lobo was on the point of the alleged misbehaviour of the workman and his habit of abusing and using bad language during the office hours. Even Shri Lobo and the other witnesses also stated the same story. The delinquent workman however, denied all the allegations, he denied to have removed the keys and also denied to be in the habit of using bad language towards his colleagues or officers. The two witnesses cited on his behalf supported him. These witnesses at the same time spoke about the approach of Shri M. Lobo and his enquiry about the car keys on the day of incident when according to them the workman denied having any knowledge thereof.

On going through the evidence, the Enquiry Officer held the first three charges substantiated and reported the matter accordingly on 20-7-1979, on the strength of whose findings by an order dated 6-8-1979, the Director of Vaz Forwarding Private Limited discharged the workman from service with one month's salary in lieu of notice and all other legal dues, if any.

Since the matter has now been referred to under Section 11A of the Industrial Disputes Act, the evidence will have to be perused to satisfy this Tribunal, whether the conclusions arrived at by the Enquiry Officer on whose conclusions the final order came to be passed were proper and supported by the material on record and it shall also have to be seen whether the punishment awarded was disproportionate to the charges established or could be said to be proper.

For this purpose the evidence has to be perused. Now the first charge against the workman was that he committed theft of the keys of Shri M. Lobo by removing them from the table, he failed to return these keys despite repeated requests and thus caused harassment, inconvenience and was responsible for waste of time etc. The fact of removal of keys by the workman has been denied, but on going through the evidence of Shri S. Lobo, Shri Gomes and Shri Sadavarte who happened to be present at the relevant time, I am convinced that those keys must have been removed by Shri Thorat as contended by the witnesses. There are some discrepancies as to whether the keys were on table or in the pocket of Shri M. Lobo, but no importance can be given to such a discrepancy particularly when it is noticed from the evidence of defence witnesses also that Shri M. Lobo was complaining of loss of keys and had immediately approached the workman asking for the keys. It was argued that Shri Sadavarte and Shri Gomes were working under Shri Lobo but in that way being Officers of the company, the clerical members of the company including the workmen must be working under him and only from Shri Lobo being Officer, no conclusion is possible that the witnesses cited viz Shri Gomes and Shri Sadavarte would have said something not true.

Although the removal of the keys stands sufficiently established, it would not lead to an inference of theft of the car keys as deduced by the Enquiry Officer. To allege the

commission of theft, besides removal, something more is necessary viz. dishonest intention which in the instant case is completely lacking. It seems from the evidence of the witnesses themselves, the workman in question was indulging in pranks and cutting jokes at the physique of Shri M. Lobo and this seems, was going on for several days if not years. If as a mad frolic the keys were removed, it would not be an act of pilfering though the annoyance and harassment is bound to be there. After all they were car keys which by themselves would have been of no use to the workman unless he also removed the car which is nobody's case. Therefore, though there was loss on one side, there could not have been any gain on the other and in the absence of these together, the indictment of theft would not be possible. Considering the past history disclosed by Shri M. Lobo, I am convinced, even on 16-2-1979 Shri Thorat must not have any other intention than to just play a prank, but the whole event took a serious turn when despite the repeated attempts, the keys were not returned and Shri M. Lobo was required to report the matter to his superiors. Therefore, though the evidence as it stands is acceptable, such is not the case with the resultant conclusion viz. of theft of keys.

The self-same witnesses cited on behalf of the company also state of the alleged bad behaviour viz. using of bad and abusing language but there are certain omissions given by the very witnesses which lessens the gravity of the accusation. Shri S. Lobo in cross-examination has stated, when asked how are the relations with Shri Thorat, that they are great friends, they exchange abuses and hot arguments in a sportive manner, and it is further stated that this is done with an intention of improving the workman's behaviour and get up. There was also another question put viz. whether Shri Thorat was keeping good relations with the staff members to which query the answer was "in general he is keeping good relations with fear". What is meant by word 'fear' is not possible to catch, but then the reply remains that overall his relation were good. Even Shri Sadavarte another witness of the company has stated that Shri Thorat is okay at times but almost every day he starts his fooling and mischief with him. Then he says that he i.e. Shri Thorat fiddles with his papers and fools him and further that he directs his abuses against all. The witnesses cited by Shri Thorat, however, vouch the good conduct in general.

On going through various admissions and assertions it seems that the workman concerned even in the past must be exchanging abuses and indulging in pranks but this does not seem to be a unilateral act on his part but atleast from the admissions of Shri S. Lobo and Shri Sadavarte, it must be a bilateral action indulged in, if not by all the members of the staff at least by some of them. When the evidence of the defence witness and that of the company's witnesses is read, the only inference it leads to is that Shri Thorat must be in the habit of exchanging abuses or playing pranks against those members of the staff who must be responding in the same manner while in the case of defence witnesses they seem to be having no such cause or grievance.

However, though I am holding accordingly and although the charge No 3 refers to oral requests and warning in the past, there is no record to indicate that the management in the past was required to intervene or was constrained to take any action or cognisance. It is common knowledge that when the duties are of arduous nature, to vent the pressure sometimes the workmen indulge in such behaviour, but it is never taken seriously by the superiors or the colleagues. This must have happened here also because it was only on 16-2-1979 for the first time when the matter flared up on account of loss of keys, that the management wrote a memorandum addressed to the workman cautioning him that they will be required to take drastic action against him. The last para of the memo reads, "the above complaints have been viewed by the management very seriously and in case you do not improve your behaviour the management will take drastic action against you and may also debar you from entering into the godown in future. In the meantime you are called upon to surrender customs pass immediately." Before that there is a reference of user of bad language and abuses to the staff members, labourers etc. It is, therefore, evident that had the act of the workman reached the stage of misconduct in the past i.e. prior to 16-2-1979, some reaction on the part of management could have been noticed

which we do not find there but the same is to be found for the first time on 16-2-79. Even then, it is material to note that the management did not take any action for almost one month, except of collecting the entry pass from the workman and it was only after 16-3-1979 when the workman threw gauntlet that the chargesheet dated 26-4-1979 was issued. The reaction of the management when taken into account and when the same is read in the light of admissions and other material on record, although there is every reason to believe that the workman was indulging in exchanging abuses and hot words, this had not reached the serious proportion and therefore till then was ignored by the management.

The result of the above discussion would be that so far of the charge no. 1 is concerned there is a proof of removal of the car keys but the said removal does not amount to commission of the act of theft but seems to have been done as a sort of indulging in frolicking as seems to be the workman's practice.

Similarly, though there is the proof of user of bad and foul language by the workman, this was against those who were either responding or retaliating or addressing and therefore was not an unilateral act on the part of the workers in question.

Even if the conclusion thus stand diluted, the fact is that Shri Lobo was put to great inconvenience and must have resulted in wasting office time. Similarly, there is sufficient proof to hold that the workman must be indulging in abusing and bad language, though there is nothing on record to indicate rude, disorderly, indecent, highly derogatory behaviour nor there is any proof of the past memos, warning or request. Even then the ingredients above referred to would certainly amount to misconduct though not that seriously misconduct for which the opponent had to face enquiry.

Once we find that there is misconduct on the part of the workman, the punishment must follow but that punishment can never be the punishment as awarded by the management even though instead of dismissal the order speaks of discharge with one month's notice pay etc. There is every reason to believe that the management wanted to caution the workman and for the first time wrote the letter, dated 16-2-1979, i.e. the date of incident, but without giving any opportunity for improving, it was decided to part with the company. When viewed in the proper perspective facts as disclosed in the evidence, I am convinced that the punishment like censure or withholding of increments or even awarding fine could have been sufficient.

When normally such a conclusion is arrived at, reinstatement is a natural corollary. However, having regard to the conduct and behaviour of the workman and his habits, I do not think he is such a workman whom anybody would like to work under him. There is always a limit even for pranks and user of bad language and if as a result of the prank, an Officer of the company was harassed or his time was wasted, such a conduct cannot be watched helplessly by the management. Therefore, having regard to the fact that the field of the activities of the company is in the Docks which normally is a prohibited area, where no-body is allowed to enter without pass, and having regard to the other factors already referred to, this is not a case where reinstatement can be ordered but the compensation would be the adequate relief. It is not that I am putting the premium on the misconduct of the workman by saddling the company with compensation money but the liability is saddled to avoid the reinstatement. There cannot be a yard stick for the quantum of compensation amount but considering the fact that the workman was receiving Rs. 700/- as salary per mensem, was in service for around 14 years, yet is young and capable of serving somewhere else, in my view a compensation amount of Rs. 20,000/- would be adequate besides which the workman would be entitled to get all the

dues as if retrenched under Section 25F of the Industrial Disputes Act.

Award accordingly.

M. A. DESHPANDE, Presiding Officer

[No. L-31012(5)/79-D. IV(A)]

New Delhi, the 29th May, 1982

**S.O. 2198.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal No. 1, Bombay in the industrial dispute between the employers in relation to the management of Messrs H. Mangaldas and Company, Custom Licensed Clearing and Forwarding Agents, 12, Nazir Building, Calicut Street, Ballard Estate, Bombay-400038 and their workmen which was received by the Central Government on the 25th May, 1982.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. 1, BOMBAY

Reference No. CGIT-10 of 1979

PARTIES :

Employers in relation to M/s. H. Mangaldas & Company, Bombay.

AND

Their workmen.

APPEARANCE :

For the Employers—Mr. P. R. Baldota, Advocate Mr. T. Ramakrishna, Advocate

For the Workmen—Mr. S. R. Wagh, Advocate.

INDUSTRY : Ports and Docks STATE : Maharashtra

Bombay, the 30th day of April, 1982

AWARD

The Government of India, Ministry of Labour by order No. L-310113/79-D.IV(A), dated 19th November, 1979, in exercise of the powers conferred by clause (d) of subsection (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), have referred to this Tribunal for adjudication an industrial dispute between the Employers in relation to M/s. H. Mangaldas & Company, Bombay, and their workmen in respect of the matters specified in the schedule mentioned below :—

SCHEDULE

"Whether the following demands of the workmen of Messrs H. Mangaldas and Company, Custom Licensed Clearing and Forwarding Agents, Bombay are justified? If so, to what relief are the concerned workmen entitled and from what date?

Demands :

1. Increase in wages with proper scales,
2. Dearness Allowance,
3. House Rent Allowance, and
4. City Compensatory Allowance".

2. The employer concerned in this dispute is a Custom Licensed Clearing and Forwarding Agents at Bombay Port. There are about 370 such Clearing and Forwarding Agents. These Agents have their Association under the name 'The Bombay Custom House Agents' Association' (hereinafter referred to as the "Association"). The employer is a member of the said Association.

3. The Transport and Dock Workers' Union, Bombay (hereinafter referred to as the "Union") has filed the state-

ment of claim on behalf of the workmen of the employer. It is stated that these 370 Clearing and Forwarding Agents employed about 3500 workmen, who are engaged in connection with the clearance of goods to and from the Bombay Ports. It is further stated that the Union by its letter dated 1st July, 1977 served charter of demands on all the Custom Licensed Clearing and Forwarding Agents of Bombay, including the employer, on behalf of their workmen. The charter of demands is annexed as exhibit W-A to the statement of claim. Majority of the Agents requested the Union that the said charter of demands may be discussed with their Association. Accordingly, several meetings took place between the representatives of the Association and the Union. But, there was no settlement. The workmen went on strike to press their demands from 29th January, 1978. The strike was called off after the intervention of the Conciliation Officer (Central), Bombay. It is further stated in this statement of claims that the Association on behalf of their members signed a settlement with the Union on 26th January, 1978. The said settlement is annexed to the statement of claim as exhibit W-B. Majority of the Agents have accepted and implemented this settlement. It has come into force with retrospective effect from 1st April, 1977.

4. It is alleged further that the employer in this Reference refused to implement the settlement. The Union vide its letter dated 24th February, 1979 (exhibit W-C) requested the employer to implement the said settlement. But, in spite of the intervention of the Regional Labour Commissioner (C), Bombay, as a Conciliation Officer, the dispute could not be resolved amicably. The Regional Labour Commissioner (C), therefore, submitted his failure report to the Government on 7th September, 1979. It is alleged that the workmen of this employer are paid consolidated wages, which are much less than the wages paid to same categories of workmen employed by other Clearing and Forwarding Agents in Bombay. The Union, therefore, submitted that an Award be made on the terms of the said settlement (exhibit W-B) which are covered all the four demands of the workmen.

5. The employer have filed written statement opposing the demands made by the Union. It is stated that the Company had in its employment on the date of the Reference i.e. 19th November, 1979, only one workman and on the date of the written statement it has one workman only. The said workman has no dispute with the Company in connection with his conditions of service. No industrial dispute therefore exists which can be adjudicated by this Tribunal. The Company requests that this preliminary point be tried as a preliminary issue. On merits it is stated that the Company is not served with the letter dated 1st July, 1977, and is not aware of the alleged letter served on the Association. It is alleged that the Company has not authorised or requested the Association to negotiate on its behalf with the Union at any time. Out of seven workmen employed by the Company only one workman continues to be in the employment of the Company. The other four workmen resigned and two workmen abandoned the services of the Company before this Reference. The settlement said to have been arrived at between the Association and the Union is not binding on all the Agents. It is not binding on the Company. The Company submits that the demands made by the Union are exorbitant and cannot be borne by a small Partnership firm such as the Company which employed only one workman. The Company, therefore, prayed that the Reference be rejected. Mr. Baldota, the learned counsel for the employer-Company, submitted that the workman in his employ had not sent any specific demand to the Company. No dispute in fact, therefore existed. He submitted that mere demand to the Government or Conciliation Officer without raising a dispute with the employer is not an industrial dispute.

6. Now, Mr. Wagh for the Union submits that the Union by its letter dated 1st July, 1977 (exhibit W-A) served charter of demands on all the Custom Licensed Clearing and Forwarding Agents of Bombay, including the employer-company, on behalf of their workmen. Now, on the date of hearing Mr. Wagh produced "under postal certificate receipt" and submitted that this receipt was obtained from the postal authorities when the charter of demands was sent to the Custom Agents, including the employer-company. This receipt bears the date of 5-7-1977. The Company denies that such a communication was received by it. Now, none has been

examined on behalf of the Union to say that the communications mentioned in this under postal certificate receipt were set to the employer-company and that communication was the charter of demands dated 1st July, 1977 (exhibit W-A). In the absence of such evidence it is difficult to rely upon mere under postal certificate receipt. That certificate does not show that communication was addressed to the employer-company.

7. Now, in the case of Andrew Yule & Co. Ltd. v. Fifth Industrial Tribunal of West Bengal (Indian Factories and Labour Reports Vol. 29 page 280 of 1974) the Calcutta High Court has observed :—

"If no dispute at all has been raised by the workmen with the Management any request sent by them to the Government would only be a demand by them and not an industrial dispute between them and their employer. A mere demand to a Government, without a dispute being raised by the workmen with their employer, cannot become an industrial dispute."

The workmen must first raise a demand on the Management and in the absence of any such prior demand there cannot be industrial dispute which can be said to arise and exist. Even if a demand is made to a Conciliation Officer, and the communication by him to the Management cannot constitute an industrial dispute".

8. Mr. Baldota also relied upon the decision of the Supreme Court in the case of Sindhu Resettlement Corporation Ltd. v. Industrial Tribunal, Gujarat (1968 I. LLJ p. 834). Their Lordships of Supreme Court have made similar observation as are to be found in the decision of the Calcutta High Court. In fact, the Calcutta High Court relied upon the observations of the Supreme Court in the case of Sindhu Resettlement Corporation Ltd. v. Industrial Tribunal, Gujarat.

9. Except the under postal certificate receipt the Union has not adduced any evidence to show that the workmen of the employer-company had made demands on the employer. In view of this position it will have to be held that no industrial dispute existed before the Government made a reference in this case.

10. Coming to the merits, the Union has not adduced any evidence in justification of the demands which are the subject matter of this Reference. That is stated in the statement of claim is that the workmen of this employer-company are paid consolidated wages which are much less than the wages paid to same categories of workmen employed by other Clearing and Forwarding Agents in Bombay. Admittedly, this employer-company has not accepted the settlement arrived at by the Union with the Association. The employer-company submits that it is a small Partnership firm which employed only one workman and the settlement arrived at by some Agents with the Union cannot be made applicable to the company. In fact, the said agents cannot be compared with the Company. The employer has placed on record an affidavit of its only employee. In that affidavit, the employee states that he has no dispute or difference with the company in connection with his conditions of service. It is true that the Reference cannot be rejected on the sole ground that the only workman of the employer-company states that he has no dispute or difference with the employer-company. However, the Union has not adduced any evidence to show the financial capacity of the employer-company and to justify its demands that an Award be made in terms of the settlement arrived at with the Association. It is an admitted position that all the Custom Licensed Clearing and Forwarding Agents have not accepted that settlement. It will be seen from the text of the settlement which is at exhibit W-B that the association was to recommend to its members to sign an agreement with the Union on the terms agreed between the Union and the Association. Admittedly, this employer-company has not signed the agreement. The burden was, therefore, on the Union to adduce evidence to show that the employer-company had financial capacity, to accept the terms agreed between the Union and the Association as regards the pay scales and other allowances.

11. As no industrial dispute existed at the time when the Reference was made, the Reference will have to be held to be incompetent. On merits also there is no evidence adduced by the Union to justify the demands. The Reference, therefore, is rejected.

12. Award accordingly. No order as to costs.

**Case No. CGIT/LC(R)(11)/1979**

**PARTIES :**

Employers in relation to the management of Diwan Lime Company in respect of Amilia Limestone Mine, Maihar, District Satna and their workmen represented through the Samyukta Khandan Avam Choona Kamgar Union, Pranami Mandir, Satna (M.P.)

**APPEARANCES :**

For Union—None

For Management—Shri V. B. Rai, Advocate.

**INDUSTRY :** Limestone

**DISTRICT :** Satna (M.P.)

**AWARD**

Dated : May 13, 1982

The following dispute was referred to this Tribunal for adjudication by the Government of India in the Ministry of Labour vide Notification No. L-29011/1/79-D. III. B Dated 30th May, 1979 :—

"Whether the following demands of the workmen raised by Samyukta Khandan Avam Choona Kamgar Union, Maihar Branch against the management of Diwan Lime Co. in respect of Amilia Limestone Mine Maihar, District Satna are justified? If so, what relief the workmen are entitled to ?

- (1) Payment of Bonus for the accounting year 1977 at the rate of 20 per cent.
- (2) Payment in respect of tubs at higher than 1 tonne.
- (3) Issue of attendance cards."

2. The claim of the workmen as per their statements of claim is that in the accounting year 1977 the Company i.e. Diwan Limestone Company, hereinafter referred to as the Company had earned huge profits; that another sister concern of the Company by name M/s S. N. Sunderson run by the same Directors had paid a bonus of 20 per cent; that the workmen working in the Company are exploited; that the huge profits earned by the sister concern are due to the hard work done by the workmen and that so far as this Company is concerned Bonus should have been paid at the rate of 20 per cent and not at the statutory minimum rate of 8.33 per cent.

3. The second claim of the workmen is that while loading the tubs the capacity is exceeded from 1 tonne to more than 1 tonne; that payment is made only for the loading of 1 tonne and that this practice on the part of the Company is also an unfair labour practice.

4. Last claim of the workmen is that though they are working as labourers under the management of the Company yet they are not given attendance cards.

5. In reply to these demands the written statement of the Company is that the reference was made while the matter was pending in conciliation proceeding; that the Union which has raised this dispute is not a representative Union of the workmen that according to the Balance Sheets of Profits and Loss Accounts there is no available surplus for paying more than the minimum as required by the Bonus Act i.e. 8.33 per cent; that payment made by any other Company @20 per cent is not at all relevant and that in the light of the Profit and Loss Accounts of the Company a higher rate of Bonus is not at all possible.

6. With regard to the claim for overloading the tubs, it is stated that tubs are loaded only upto to the prescribed capacity; that during conciliation proceedings here was physical verification and by weighing four tubs of 1 tonne each the total weight was found to be 4 tonne 40 Kgs. only which only a marginal increase and does not indicate overloading to the extent alleged by the workmen.

7. As regards the claim for attendance cards, the Company has conceded that attendance cards have been duly issued to the workers and this fact is borne by the minutes of discussions dated 20-2-1979 in the conciliation proceedings.

8. As per order dated 6-2-1980 the question raised in the order of reference were detained as the main issues for adjudication in this reference.

9. Though several opportunities were given to both the parties yet except the documentary evidence filed in this case no oral evidence was given. Consequently, evidence of both the parties was closed on 5-4-1982 and the case was fixed for final arguments on 10-5-1982 on which date Shri Rai, advocate, appeared for the management and Shri L. N. Malhotra, Advocate, who appeared on the workmen made an application that as he has no instruction in this case from the workmen he be permitted to withdraw. In these circumstances, arguments of Shri Rai was heard and the case was closed for award.

10. In this case, it is an admitted fact that the management has paid the minimum Bonus @8.33 per cent provided by the Bonus Act. The burden was on the workmen to prove that there was available surplus with the management for payment of Bonus at a rate of higher than the minimum prescribed by law. Balance-sheets for the account year 1977 have been filed. The workmen have not challenged the correctness of the Balance sheets which have been duly audited and certified by the Chartered Accountant. When the management has placed an audited Balance-sheet of the Profits and Loss Accounts before the Court, the workmen, if they so desired, could challenge the correctness of these Balance-sheets by calling the accounts books and showing that the Balance-sheet is not in accordance with the actual accounts of income and expenditure of the Company. As already stated, no oral or documentary evidence has been given by the workmen to hold that the Balance-sheets are not as they purport to be. Consequently, as held in 1957 Calcutta p. 500 National Carbon Company Vs. Labour Court, the burden which was on the workmen has not been discharged. In view of the fact that the Company has paid the minimum bonus as required by law no further additional liability can be placed on the management unless the workmen were able to show that what has been paid is disproportionate to the profit earned by the Company.

11. The contention of the workmen that a sister concern of the Company had paid more bonus is of no relevance. When there is another incorporated Company with separate legal entity and has separate profits and loss accounts of its own the rate of bonus paid by the Company cannot be the guiding factor for determining the rate of bonus payable by the Company in this case. Accordingly even assuming that M/s. S. N. Sunderson has paid bonus @ 20 per cent would not justify the demands of the workmen for payment of bonus at the same rate by this Company also. Accordingly, so far as the first demand of the workmen for payment of bonus higher than 8.33 per cent is concerned, it cannot be accepted.

12. The second demand of the workmen is that though the tubs of more than 1 tonne capacity are being loaded yet they are paid for loading a weight of 1 tonne only. In support of this question, no oral evidence has been given. The management, however, relies on the minutes of discussions between the Asstt. Labour Commissioner and the representative of the workmen dated 10-12-1978 in which in a random checking of the weight of 4 tubs it was found that the total weight was 4 tonne 40 Kgs. The excess weight was found to be nominal and negligible and was attributed to contents of small sized stones i.e. chippings. So far as the workmen are concerned, they have not come forward to pledge their oath and say that the tubs loaded carry a load of more than 1 tonne except for the marginal increase indicated in the minutes mentioned above. When limestone is loaded in tubs such marginal variations are bound to

occur but the variation is not such a nature as to justify an increase in the loading rates. I am, therefore, clearly of the opinion that payments made in respect of 1 tonne per tub by the management is quite justified.

12. So far as the third demand regarding issuing of attendance cards is concerned, it was conceded in the conciliation proceedings and conceded before this Tribunal also that if attendance cards are not issued then they shall be issued in accordance with the prescribed rules.

13. Accordingly for the reasons given above, it is held—

- (1) that the demand for payment of bonus for the accounting year 1977 @20 per cent raised by the workmen through the Samyukta Khadan Avam Chona Kamgar Union, Maigar, District Satna, against the management of Diwan Lime Company in respect of Amilia Limestone Mine, Maigar, District Satna, is not justified.
- (2) That payment made by the company for loading/tubs on the basis of load of one tonne is proper and the demand of the workmen for increased payment is not justified.
- (3) that the management of the said Company shall issue attendance cards to the workmen, if not already issued.

In the circumstances of the case, both the parties are directed to bear their own costs as incurred.

**S.O. 2202.**—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Jabalpur in the industrial dispute between the employers in relation to the management of Messrs Sreeram Durgaprasad Ores Pvt. Limited, Tumsar and their workman, which was received by the Central Government on 25th May, 1982.

BEFORE JUSTICE SHRI S. R. VYAS (RETD.) PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M.P.)  
Case No. CGIT/LC(R)(71)/1980

#### PARTIES :

Employers in relation to the management of M/s. Sreeram Durga Prasad Ores (Private) Limited, Tumsar and their workman, Shri Ganpat Bisauji Meshram, Village Bhandarbodi, Post Bhandarbodi, Tah. Ramtek, District Nagpur (M.S.).

#### APPEARANCES :

For workman—None.

For Management—Shri S. J. Chawda, Advocate.

INDUSTRY : Manganese. DISTRICT : Nagpur (M.S.)

#### AWARD

Dated, May 12, 1982

The following dispute was referred to this Tribunal for adjudication by the Central Government in the Ministry of Labour vide Notification No. L-27012/2/80-D.III(B), dated 17th November, 1980 :—

"Whether the action of the management of Messrs Sreeram Durgaprasad Ores Private Limited, Tumsar in denying the work to Shri Ganpat Bisauji Meshram workman with effect from 15-2-80 in their Bhandarbodi Manganese Mine is justified? If not, to what relief the concerned workman is entitled?"

2. Briefly stated facts giving rise to the reference are as under :—

M/s. Sreeram Durga Prasad Ores Ltd, Tumsar, hereinafter referred to as the Party No. 1 are the owners of the Manganese Mine of Bhandarbodi Tahsil Ramtek, District Nagpur. Shri Ganpat Bisauji Meshram, workman concerned, herein after referred to as the Party No. 2 was an employee of this mine of Party No. 1. According to the workman, he was given some breaks during the course of his employment and finally on 15-2-1980 he was not allowed to work and was consequently removed from service. Regarding the incident of 14-2-80 the workman contends that he was confined to mines upto 9 p.m. and was under threat, forced to put his signatures on a paper the contents of which are not known to him. Lastly, the workman contends that the management treats the aforesaid paper as a letter of resignation as a defence to his removal from service. A prayer is accordingly made for reinstatement of the workman with all consequential benefits.

3. The claim of the management is that the workman was employed to do earth work and extract manganese ore from the mine. The plea of some breaks in the employment is denied. With regard to the termination of employment, the contention of the Party No. 1 is that the workman initially came on 27-12-1979 and worked upto 14-2-1980 when he resigned with effect from 15-2-1980. Prior to that he had also worked from 3-5-79 to 21-3-1979. The allegations regarding threats, force or coercion for obtaining the letter of resignation are also denied by Party No. 1. It is further alleged that it was a voluntary letter of resignation submitted by the workman, Party No. 2, which was accepted by Party No. 1 and all accounts upto the date of resignation were settled by payment of Rs. 60 which in fact was more than what was due to the workman. By way of amendment Party No. 1 further submitted that after the employment was come to an end by voluntary resignation the workman had gainfully employed at some other place and in the event of order of reinstatement the workman would not be entitled to the benefits of back wages.

4. No special issues were framed in this case. Accordingly the main issue which arises for consideration in this case is as follows :—

#### ISSUES

1(a) Whether the management i.e. Party No. 1 proves that the workman, Party No. 2, Shri Ganpat Bisauji Meshram had voluntarily resigned from the service on 14-2-80 ?

(b) If not, to what relief is the workman entitled to ?

5. Oral and documentary evidence have been given in this case by the parties in support of their respective contentions. Having considered the evidence given by both the parties my findings on the aforesaid issues are as under :—

1(a) :—Party No. 1 has proved that the workman, Shri Ganpat Bisauji Meshram, Party No. 2, had voluntarily resigned on 14-2-80 and received Rs. 60 in full and final settlement of his accounts.

1(b) :—The workman, Party No. 2, is not entitled to any relief in this case.

6. Before proceeding further to discuss the evidence and record reasons for the findings, it may be stated that upto some stage the workman participated in the proceedings and when the case was fixed for evidence on 11-5-82 the workman and his Counsel remained absent. Evidence was, therefore, recorded in the absence of the workman and his Counsel. Arguments were heard and award reserved.

#### REASONS :

7. The fact that the workman was employed at the mine of Party No. 1 is an admitted fact and on this question the evidence of the parties need not be discussed. The main question is as to whether on 14-2-1980 the workman tendered a voluntary resignation which was accepted and all the dues from Party No. 1 to Party No. 2 were paid.

8. The management has examined Shri Umrao Raoji Poonde (M.W. 1) and Shri Kachrulal (M.W. 2) and produced documentary evidence also. The workman has examined himself as W.W. 1 and Shri Govinda W.W. 2.

9. In his statement the workman has stated that on one of the working days he was called through the other workmen S/Shri Datta and Rai to the office where the Manager, Shri Arora, enquired as to who had assaulted Shri Punde. He denied the assault and narrated an incident of the preceding day. He was then, in the presence of some police officers coerced to settle his accounts and for that purpose he was detained in the office upto 10 P.M. He also referred to certain documents regarding the letter of resignation being executed under threat and coercion. He denied that he submitted the voluntary resignation. When Cross-examined by the management, he admitted that no notice was served by him after the incident but he met his Counsel and narrated the incident to him. An application Ex. M/1 was therefore made to the Conciliation Officer. When confronted with the letter of resignation Ex. M/2 and the receipt for payment Ex. M/3, he denied having received it. He, however, admits that he retained the amount of Rs. 60 because of the threat of being handed over to the police. The other witness Shri Govinda (W.W. 2) says that the workman was called to his office and he accompanied him. He then found that some clerks and police officers were present and the workman was being asked to sign some documents. As against this evidence given by the workman, the management has examined the aforesaid witnesses.

10. According to M.W. 1, Shri Umrao Raoji Poonde, it was on 14-2-1980 that the workman volunteered to submit his resignation and asked for the settlement of his accounts. He refers to the resignation letter Ex. M/2 and the receipts of payment Ex. M/3 which were voluntarily executed by the workmen. He denies that any police officer or any workman was present when the letter of resignation was tendered and the payment of Rs. 60 was made. M.W. 2, Shri Kachru Lal, is the Cashier of Party No. 1. He also referred to the resignation letter voluntarily tendered by the workman and the receipt of Rs. 60 by him.

11. As already stated above, none remain present to challenge the statements made by these two witnesses of Party No. 1. Ordinary, therefore, there is no particular reason as to why the evidence given by the witnesses of Party No. 1 should be disbelieved when the workman had not challenged their statements by any cross-examination. Ex. M/2 is admittedly signed by the workman. Similarly Ex. M/3 is also admittedly signed by him. According to both these documents resignation was tendered by the workman and thereafter he received Rs. 60 in full and final payment. Ex. M/1 is an application made by the workman to the Asstt. Labour Commissioner in conciliation proceedings. In this application there is not a single word with regard to the happening of 14-2-80. All that is alleged that the workman was removed from service. The application purports to have been made sometime in July 1980 i.e. about five months after the said letter of resignation was tendered. If there was any truth in the allegation of fraud, force, coercion etc. now raised by the workman then certainly the workman would have made a specific mention about them when the matter was seized before the Conciliation Officer on the workman's application Ex. M/1. In his cross-examination the workman admits that when the said application Ex. M/1 was made he had placed all the facts before his Counsel who drafted the said application. This material omission regarding allegation of fraud, force or coercion at the earliest opportunity is conclusively indicative of the fact that the workman after having tendered his resignation sought to raise certain false pleas only with a view to avail of an opportunity of securing an employment which he had voluntarily abandoned. On a comparative consideration of the oral and documentary evidence given by both the parties, I have therefore no hesitation in concluding that the pleas now raised by the workman against the pleas of the management of voluntary resignation are false pleas and cannot be accepted.

12. Accordingly, in my opinion, the oral and documentary evidence given by the parties establishes beyond any reasonable doubt that Ex. M/2 and Ex. M/3 the letter of resignation and receipt of Rs. 60 in full and final settlement of his accounts were voluntarily executed by the workman and the workman thereby himself resigned from the job. The workman, accordingly, cannot now complain that he was either stopped from working or removed from service and on that account he is entitled to any relief.

13. Issue No. 1(b).—In the light of the findings given on Issue No. 1(a) the workman is not entitled to any relief.

#### ORDER :—

14. Accordingly for the reasons given above, it is held that the workman, Shri Ganpat Bisauji Meshram was an employee of M/s. Sreeram Durgaprasad Ores Private Limited, Tumsar, had voluntarily resigned from the service of Party No. 1 vide Ex. M/2 and settled his accounts by receiving the payment of Rs. 60 vide Ex. M/3. As he was neither removed from service nor his services were terminated he is not entitled to any relief in this case. In the circumstances of the case, both the parties are directed to bear their own costs as incurred.

**S.O. 2203.**—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Central Government Industrial Tribunal, Jabalpur in the industrial dispute between the employers in relation to the management of Mansar Manganese Mine of Manganese Ore (India) Limited, Nagpur and their workmen which was received by the Central Government on 25th May, 1982.

BEFORE JUSTICE SHRI S. R. VYAS (RETD.) PRESIDING OFFICER, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT, JABALPUR (M. P.)

Case No. CGIT/LC (R) (11)/1981

#### PARTIES :

Employers in relation to the management of Mansar Manganese Mine of Manganese Ore (India) Limited, Nagpur and their workman Shri Gayatri Prasad Shukla, Checker, represented through the S.K.M.S. 44 Kingsway, Nagpur (M.S.).

#### APPEARANCES :

For Union—Shri P. K. Thakur, Advocate.

For Management—Shri P. S. Nair, Advocate.

INDUSTRY : Manganese DISTRICT : Nagpur (M.S.)

#### AWARD

Dated : May, 13 1982

The following dispute was referred, by the Central Government in the Ministry of Labour, to this Tribunal for adjudication vide Notification No. L-27012/1/80-D. III.B dated 9th March, 1981 :—

"Whether the management of Mansar Manganese Mine of MOIL, Nagpur is justified in striking the name of Shri Gayatri Prasad Shukla, Checker from their rolls with effect from 26-11-79 ? If not, to what relief is the workman entitled ?"

2. Briefly stated the facts giving rise to this dispute are as under :

Shri Gayatri Prasad Shukla was employed as a Checker in the Mansar Manganese Mine of the Manganese Ore (India) Ltd., Nagpur, hereinafter referred to as the management. While being so employed he applied for three days casual leave and also for additional leave for 13 days upto 28-10-1979. Though this leave was sanctioned yet the workman did not report for duty on the expiry of leave. The contention of the workman is that while on leave he had gone to U. P. in the district of Jaunpur from where he forwarded an application for extension of leave from 29-10-1979 to 17-11-1979 on 26-10-1979. Along with his application he had also forwarded a certificate from the registered medical practitioner. This application was received in the office of the management on 17-11-1979 because of some postal delay. The workman, however, presumed that his application for extension of leave would be granted and as there was no intimation sent to him for rejecting his

application he had availed of leave upto the period applied for by him in his application dated 26-10-1979. The management however, treated the absence of the applicant from 29-10-1979 onwards as an unauthorised absence without sanction of leave and since this absence exceeded more than 14 days the management relying upon Clause 15(7) & 15(10) of the Certified Standing Orders treated the workman as having left the service of the management of his own accord and without any notice.

3. The management in reply to the claim made by the workman contends that no application was received from the workman within the prescribed period ; that the medical certificate that was received sometime later after the prescribed period of 14 days and that the management was fully justified in treating the applicant as having left the job of his own accord. As already stated above, reliance is placed on Clause 15(7), 15(10) and 23(b) of the Certified Standing Orders. According to the management, if a workman remains absent without permission or overstays the period of leave originally granted or subsequently extended he shall lose his lien on his appointment unless he returns within 15 days from the date he absented or of the expiry of the leave and explains to the satisfactory of the management of his absence etc. etc. Since, according to the management, the workman overstayed the period of 15 days his name was struck off from the rolls of the employees and the workman was deemed to have left the job of his own accord.

4. No new points were raised in the rejoinders filed by the parties.

5. The management examined one witness and produced one document also in evidence. Till 27-1-1981 the workman appeared through his Counsel. Thereafter the workman and his Counsel remained absent. Permission was given to the workman to give his own evidence and also to cross-examine the management's witness examined in his absence. In spite of this order the workman neither led any evidence nor cross-examined the management's witness.

6. The main question to be decided in this case as to whether the management was justified in striking the name of the workman from their rolls with effect from 26-11-1979 and the second question would be what is the legal effect of such order passed by the management. In my opinion, the action of the management in striking out the name of the workman from their rolls, even on the facts and circumstances admitted by them, amounts to termination and consequent retrenchment of the workman which was not permissible under the provisions of the Industrial Disputes Act, hereinafter referred to as the Act.

7. The question that arises for consideration in this case was the subject of a number of decisions of their Lordships in Supreme Court where the contention of the management was that there was an automatic abandonment of employment by the workman the contention of the workman was that it was pure and simple retrenchment without due compliance of the provisions of Sec. 9A and Sec. 25F of the Act. All these decisions have been considered again in the latest pronouncement of their Lordships of Supreme Court in L. Robert D'Souza Vs. Executive Engineer, S. F. Railway (1982 AIR-SC, p. 854) in which it has been held that :—

"If termination of service of a workman is brought about for any reason whatsoever, it would be retrenchment except if the case falls within any of the exempted categories, i.e. (i) termination by way of punishment inflicted pursuant to disciplinary action ; (ii) voluntary retirement of the workman ; (iii) retirement of the workman on reaching the age of superannuation if the contract of employment between the employer and the workman concerned contains a stipulation in that behalf ; (iv) or termination of the service on the ground of ill-health. Once the case does not fall in any of the exempted categories the termination of service even if it be according to automatic discharge from service under agreement would nonetheless be retrenchment within the meaning of expression in S. 2(00). It must as a corollary follow that if the name of the workman is struck off the roll that itself would constitute retrenchment."

Their Lordships of the Supreme Court in the aforesaid case further held that :—

"In order to attract S. 9-A the change proposed must be in the conditions of service applicable to the workman in respect of any matters specified in the Fourth Schedule. If the proposed change falls in any of the matters specified in the Fourth Schedule the change can be affected after giving such notice. When a workman is retrenched it cannot be said that change in his conditions of service is effect. The conditions of service are set out in Fourth Schedule. No item in Fourth Schedule covers the case of retrenchment. In fact, retrenchment is specifically covered by item 10 of the Third Schedule. Now, if retrenchment which connotes termination of service, cannot constitute change in condition of service in respect of any item mentioned in Fourth Schedule, S. 9-A would not be attracted. If the change proposed does not cover any matter in Fourth Schedule Section 9-A is not attracted and no notice is necessary. It is, therefore, futile to urge that even if termination of the service of the petitioner constitutes retrenchment it would nevertheless be valid because the notice contemplated by S. 25-F would be dispensed with in view of the provision contained in S. 9-A, Proviso (b)."

8. In this case neither the oral evidence given by the management's witness, Shri Mahipal, nor the documentary evidence Ex. M/1 gives the slightest indication that before striking off the name of the workman from their rolls any action under S. 9A or S. 25F of the Act was taken. There was neither any notice nor any retrenchment compensation. Accordingly, it has to be held that the termination of the services of the workman were neither by way of punishment inflicted pursuant to any disciplinary action nor voluntary retirement of the workman nor retirement of the workman on reaching the age of superannuation nor the termination was on the ground continued ill health of the workman. If that was so the provisions of Sec. 2(00) of the Act could be clearly attracted and if the workman's name struck off the rolls on any ground other than those referred to above, it would constitute retrenchment. Similarly there was no compliance of Sec. 9-A of the Act. When that was so, the termination of the employment of the workman must be treated as having been brought about without the least compliance of the aforesaid sections of the Act.

9. In the light of the aforesaid decision, the question raised in this case do not admit of any other controversy and it must be held that the action on the part of the management in striking out the name of the workman from their rolls amounted to illegal termination of service which was brought about against the provisions of Sec. 2(00), Sec. 9-A and Sec. 25-F of the Act. Such an order which amounts to illegal termination of service cannot be maintained and is accordingly set aside.

10. The next important question is as to what is the nature of the relief which the workman is entitled to.

11. Once an order of termination is set aside it must as a necessary corollary follows that he is entitled to reinstatement. Whether the reinstatement should be with all benefits of back wages etc. is another incidental question which arises in this case.

12. In this case the workman has, however, not stepped in the witness box and explained as to how he remained employed or unemployed since after his name was struck off from the rolls of the management. If he had appeared, he could show that in spite of best efforts he could not secure an employment and was therefore entitled to full benefits of back wages. The management then could have had an opportunity to prove that he was gainfully employed since the date of his name being struck off from the rolls. In these circumstances, I deem it just and proper that there should be an order of reinstatement in his favour with continuity of service but without any benefit of back wages from 26-11-1979 upto the date of reinstatement.

13. Accordingly for the reasons given above it is held that the order of termination of the services of Shri Gayatri Prasad Shukla, who was employed as a Checker in the Mansar Manganese Mine of the Manganese Ore (India) Limited Nagpur in striking out his name from the roll, with effect from 26-11-1979 is illegal and is hereby set aside. The

management shall reinstate him on the post of a Checker. The workman shall not, however, be entitled to any back wages and all other benefits from 26-11-1979 till the date of reinstatement. On reinstatement his service shall be deemed to have been continued except for what has been said above. In the circumstances of the case, both the parties are directed to bear their own costs as incurred.
